Dear Parents and Guardians

First let me apologize for the delay in completing the bus schedules and letters for this school year.

We have been working with the School District at enhancing the routing system and we are having issues with the data integration with our new routing software.

We are working with the software company to resolve these issues. Again, please accept our apologies and if you have any questions please call us on 724-266-4322.

Thank you for your patience and understanding.

Michael Hope
VP Operations
