Introduction

The following pages represent the rules and regulations for student behavior at Ambridge Area School District. Important information for a successful school year is outlined. Students are encouraged to review this information with their families. Those who follow the rules and practice good manners experience success.

Once the handbook/planner is distributed, each student and a parent/guardian must sign-off that they have received a copy and are aware of its contents. They also must complete a computer usage and prescribed medication form located at the end of this section. Cooperation with regard to this process is greatly appreciated.

Failure to comply with this procedure could result in exclusion from sports, field trips, school activities and/or disciplinary action. Together we will have a positive and successful school year.

Revisions to this handbook may be made during the school year as the result of Board policies approved after the date of publication. In such cases students and their parents will be advised of additions or deletions and their impact on students' safety and conduct.

If you would like to meet with staff or administration, we ask that you make an appointment so that we can be sure to give your questions the time and attention they deserve.

The Ambridge Area School district will abide by COVID-19 guidelines issued by state and federal agencies. Those guidelines may supersede the policies and procedures as outlined in this handbook.

PARENT / GUARDIAN MUST READ & SIGN

Dear Elementary Families,

The Elementary Parent/Student Handbook is available electronically on the Ambridge Area School District website at www.ambridge.k12.pa.us. Please review the handbook together with your child to be apprised of its contents.

You will also find important information that everyone needs to know and understand. Please read this handbook carefully. It provides valuable information that can be used throughout the school year. If you do not have internet access, please call the school office and a copy of the handbook will be provided to you.

If this form is not returned to your child's homeroom teacher, your child will not receive the school provided iPad, nor have access to the school district network. Please sign and return the bottom portion of this letter by Friday, September 4, 2020.

Lastly, it is the parent/guardian's responsibility to inform the school of any changes of address or telephone number in writing upon a change occurring.

Sincerely,
The Elementary Administration

ACCIDENTS

Students injured on the way to or during school should report to the nurse's office immediately upon arriving at school.

ASSEMBLIES

Assemblies are held throughout the school year to meet students' interests and enhance academics. Students are reminded to treat guests with respect during assemblies and remain in their assigned seats. Students are to be courteous when others are performing and/or speaking during an assembly.

BIRTHDAY PARTY INVITATIONS

To ensure consistency among elementary schools and within each school building, birthday invitations can only be passed out in school if the student is inviting their **entire class**. If they would like only certain students to be invited to their party, then we ask the parents to distribute the invitations outside of school. The school will not provide any student information to assist in the distribution of invitations.

BUS TRANSPORTATION CHANGE REQUEST

Bus passes will be honored **only** if the student count does not exceed the legal capacity of the bus.

Students needing to ride a different bus must submit a written note from their parent/guardian containing the following information: bus number, bus stop, reason for the request, and a parent/guardian phone number where they can be reached for confirmation. This request must be

submitted to the office when the student arrives at school in the morning. No phone call requests will be accepted. If approved, a bus pass will be available in the office during the student's lunch period.

CAFETERIA

Lunches are served daily .. All students are provided breakfast and lunch on a daily basis at no cost. Lunch menus are sent home monthly and can be found on the school district website.

Fifth Offense – Assigned seat in lunchroom for remainder of school year.

CHANGE OF ADDRESS/PHONE

Parents must notify the school office with change of address, phone number or emergency information as soon as possible. Updated information is essential should an emergency occur.

CHEATING

Any student caught cheating on a test or assignment will receive a grade of “zero” for that test or assignment. Details of the incident will be submitted by the teacher to the administration for possible additional disciplinary action, and parents will be notified by the teacher.

CURRICULUM

The content, skills, and assessments for each course are presented in the District’s Curriculum Maps. These maps are aligned to the Pennsylvania Core Standards. The elementary course of study is organized as prescribed by the Department of Education. Reading, which is considered to be the most important area, receives the greatest time allotment, and is integrated within all other areas. In reading, the children are exposed to a variety of strategies. Numerous supplemental materials are utilized to enrich and enhance the program.

Social Studies is taught as a combination of geography and history. Mathematics, health,

science, and handwriting are included in the daily schedule. Art, general music, library, STEAM, and physical education occur once a week. Instrumental music lessons and chorus are offered to fourth and fifth grade students as part of the curriculum.

All elementary schools are equipped with a computer lab. The children are scheduled to go there on a regular basis. The lab is equipped with a network system which includes applications for all necessary operations. Students and parents are required to sign the AASD Computer Usage Policy before using the District’s computer labs.

DANCES

The Parent Teacher Association (PTA) / Parent Teacher Organization (PTO) sponsor school dances. The following rules apply:

1. Any student who was given an ISS or OSS is not permitted to attend any dances following the suspension without prior permission from the principal.
2. After entering the dance, no student is permitted to leave unless a parent/guardian comes for them.
3. All school rules of behavior and dress code are enforced at dances. Any student sent home from a dance for disciplinary reasons could be suspended.
4. Under no circumstances will outsiders or guests be permitted to attend.
5. Rides should be at the school when the dance ends. **Any student still remaining 15 minutes after the dance will not be permitted to attend the next dance.**
6. Students who are absent, or sent home by the school nurse, on the day of a dance may not attend; exception would be an official doctor’s excuse presented to the office or to the administrator at the dance.
7. Students with disciplinary violation(s) or attendance concerns may be prohibited from attending or participating in school dances.
8. Food and drinks may be purchased at the dances. No outside food or drink will be permitted.

DEBTS

Students owing money for lost or damaged textbooks, broken or lost equipment, will receive

notification of the amount payable to the district to replace that item.

DETENTION

If a student is assigned detention by the principal or a teacher for misbehavior, he/she must report to the assigned area immediately. Failure to report for detention will result in suspension.

Students will be assigned lunch detention for various levels of misconduct. They will be required to bring books to a specified room, eat lunch, and work on school assignments until their lunch period is over.

DISCIPLINE POLICY

Parent(s) / guardian(s) and students are responsible for reviewing all the policies set forth in the handbook. The student will return only the signature page of the handbook to his/her homeroom teacher.

Please note: Student Discipline Policy (Pages 21 – 26) and Bus Regulations Policy (Pages 19 & 20) are included in this policy handbook.

DRESS CODE

The student council, faculty, administration, superintendent, and the school board of directors have designed this dress code. Violations of the dress code policy will be considered a Level 1 offense. Parents will be notified and be required to bring a change of clothing to the school. If appropriate clothing cannot be obtained, the student will be sent to In-School Suspension (ISS) or remain in the school office.

1. Students are expected to wear clean, neat clothing and nothing that is see-through. No pajamas are permitted. No hats, bandanas (anywhere on the student), or any type of head coverings are permitted including hoodies worn up.
2. Clothing, including coats, that interfere with the normal function of a class, is not to be worn.
3. Socks must be worn if deemed necessary for safety and health reasons in all classes and gym.
4. Students may not wear slippers.
5. Clothing and book bags that are obscene, profane, and vulgar or that promote the use of illegal substances (alcohol, drugs and tobacco) or nudity may not be worn or used.

6. Students may not wear any emblems, badges or insignias that identify groups or bands that are associated with violent or illegal activities. Anything that may be considered to be gang-related by the administration must be removed immediately.
7. Spaghetti strap tops are not permitted.
8. Tops exposing the chest, back, or a bare midriff are not permitted. This includes tube tops.
9. Tank tops are not permitted to be worn by males or females.
10. Appropriate undergarments must be properly worn at all times.
11. Wallet, bicycle chains, or other types of non-jewelry or spiked jewelry chains and book bags are not permitted to be worn. Chains could fall under the school's weapon policy.
12. The faculty and administration have the right to question a student's dress and take necessary action if an item is not specifically covered in Items 1 through 12.

EARLY DISMISSAL

If a student is being dismissed early from school, a note from the parent/guardian is required to be sent with the student. The student is required to bring the note to the office before or during homeroom. FOR THE SAFETY OF ALL STUDENTS, IF A STUDENT HAS A PICK-UP BY ANYONE OTHER THAN THE PARENT/GUARDIAN, IT MUST BE STATED IN THE NOTE.

The parent/guardian/person picking up the student, must report to the office with appropriate photo identification and sign the student out and write an early dismissal note. However, when a student comes to school late or back from an appointment, the parent/guardian does not have to come into the office with the student.

EMERGENCY CARDS (Health Office)

All students are required to have a completed emergency card by the parent/guardian on file in the nurse's office in the event of an emergency. Please identify someone that has permission to pick up your child in cases of emergency if you cannot be reached. Should any information

change during the school year, please notify the school office.

FIELD TRIPS

Field trips are planned at the teacher's discretion. The student may be responsible for costs associated with the field trip. A permission slip sent home must be signed by the parent/guardian and returned before the student is permitted to attend the field trip. Students that do not have a signed permission slip will remain at school on the day of the fieldtrip. Students with disciplinary violation(s) or attendance concerns may be prohibited from attending or participating in school field trips. Students violating Level III of the Student Discipline Code will not be permitted to attend field trips.

FIRE DRILLS/EMERGENCY EVACUATION DRILL

The state of Pennsylvania mandates monthly fire drills and an annual evacuation drill. While fire drills are typically unannounced, parents and students will be notified prior to the annual evacuation drill. Students are to follow directions given by their teacher or adult in charge and walk quickly and quietly to the nearest exit. Refer to fire exit procedures.

GRADES AND REPORTING

Student progress is reported every nine weeks via the Tyler student information system. Teacher comments are also used to describe student work and monitor student progress. The following method of reporting grades is used in the Ambridge Area School District:

- A – 90-100
- B – 80-89
- C – 70-79
- D – 60-69
- E – 59 and below

GUM CHEWING

GUM CHEWING IS NOT PERMITTED IN SCHOOL. Careless disposal of chewing gum in drinking fountains, on furniture, and floors presents sanitation and cleaning problems. Students caught with gum will be disciplined under the Student Discipline Code. Repeated violations may lead to school suspension.

HALL PASSES

The hall pass is primarily used for a restroom break and are provided at teacher discretion. Students are not to abuse the use of the hall pass.

HEALTH OFFICE

Passes to the health office must be obtained from the student's teacher. Any medication to be administered during the school day should be delivered to the health office by a parent/guardian, along with the required paperwork from a doctor. Students are not permitted to carry any type of medication during school hours. If a student becomes ill at school, the nurse or school personnel will call home. Students are not to call/text home to be excused because of illness.

HOMEWORK

Homework helps the pupil reinforce the basic skills and provides an opportunity for individual research projects. It also helps in providing parents with an understanding of the types of work and subject matter with which the child is involved. Some suggestions to help your child: (1) Provide a favorable environment for home study, (2) Help your child develop a study schedule, (3) Encourage your child to discover and learn for themselves.

A telephone call to the office or a written request should be sent whenever a parent/guardian requests homework or make-up work for a student who will be absent from school for a lengthy period of time. Requests for daily homework assignments should be made by 10:00 A.M.in the morning for pick-up in the afternoon. Students are to turn in homework upon returning to school.

LOST AND FOUND

Articles found in and around the school and/or on the bus should be brought to designated lost and found area. All items that remain unclaimed at the end of the school year will be donated to a local charity.

MEDICATION POLICY

Ideally, all medication should be given at home. It is recognized that many students are able to attend school because of the effectiveness of medication in the treatment of chronic disabilities and illnesses. However, any student who is

required to take medication during the school day must comply with school regulations. These regulations include the following:

Prescribed medications

Upon written request from the physician and parent or guardian, the school nurse may administer the prescribed medication to the student. Included in the request must be the name of the student, name of the medication, dosage and frequency, and the reason for administering.

All medication must be in a protective container which is properly labeled by the physician or pharmacy.

Non-prescriptive medications

Non-prescriptive drugs and medication may be administered by the school nurse, principal or principal designee only after the following conditions are met:

- A written request or authorization from the parent/guardian is required. Included in the request must be the name of the student, name of the medication, dosage, frequency, and the reason for administering.
- All medications must be in protective containers which are properly labeled by the physician or pharmacy.

All medication

For any medication to be dispensed within the district, the following guidelines must be met:

- Any medication to be administered during the school day must be delivered to the nurse's office (or main office) by a parent.
- Students will not be permitted to carry pills or any medication during school hours.

PARENT-TEACHER CONFERENCES

Parents are an essential member of their child's educational team. A conference serves as an opportunity for students, parents, and teachers to become better acquainted.

Conferences between students, parents, and teachers may be initiated by either of the above as the situation warrants, whether it be student need, teacher, or parental request. The conference should be scheduled ahead of time at

the convenience of both teacher (*preferably during the planning period or before or after school*) and the parent. The school district has built into the elementary school calendar two conference days, one in the fall and one in the spring.

PROGRESS REPORTS

Progress reports are paperless. Parents are required to review student grades on Tyler five (5) weeks into every nine (9) week marking period. Progress reports are a way to communicate to parents how their child is progressing at school. Parents with questions can contact teachers directly by phone at 724-266-2833 (press 8 for dial by name) or by e-mail.

PROMOTION/RETENTION

The following recommendations are made relative to the promotion or retention of elementary students in the Ambridge Area School District. Each individual case will be analyzed and reviewed carefully by the student's educational team. Action taken will best serve the interests of the child. Presently, the school district's policy indicates that no child should be retained for more than one year in a single grade, and not more than two years in grades one through five without special permission. These retentions should take place in the primary grades rather than in the intermediate grades if it is at all possible.

The Building Principal shall be assigned the final responsibility for determining the promotion or retention of each student.

RE-ENTRY FROM MEDICAL PLACEMENT GUIDELINES

- A re-entry meeting will occur prior to the student returning to the classroom. At this time, if it has not already been done, a release must be signed to allow the school and those involved with aftercare to communicate with the agency.
- If the student is referred to treatment by the school, the release can be signed immediately at the agency. If the parent/guardian places the student in treatment, the parent/guardian and student need to sign the release.

- Release of information allows the following people to be apprised of the student's recovery progress:
 - SAP team members
 - Administration
 - Social worker
 - Teachers (as necessary)
 - Aftercare Facilitator
 - Parent/Guardian

SCHOOL IMMUNIZATIONS

All students, kindergarten through grade 12, including all public, private, and parochial schools, must show proof of immunization before they are permitted to attend school in the Commonwealth. The original or duplicate (out of state) immunization record is to be sent to the new school when the student is promoted or is transferred. The record may be given to the parent or student when he/she is transferred.

Minimum Immunizations Required

Children ENTERING SCHOOL (*K or Grade 1*) need the following vaccines:

- 4 doses of tetanus* (*1 dose on or after the 4th birthday*)
- 4 doses of diphtheria* (*1 dose on or after the 4th birthday*)
- 4 doses of polio
- 2 doses of measles**
- 2 doses of mumps**
- 1 dose of rubella (*German measles*)**
- 3 doses of hepatitis B
- 2 doses of Varicella (*chickenpox*) vaccine or a written statement from physician/designee indicating the month and year of disease or serologic proof of immunity

* Usually given as DTP or DTaP or DT or TD

** Usually given as MMR

The Ambridge Area School District is not required to render homebound education to any student who does not meet the above requirements.

Exclusion procedures are at the discretion of Ambridge Area Board of Education.

SOCIAL PROBATION

Extra-curricular activities are considered a privilege and not a right. Social Probation is the exclusion of students from extra-curricular

activities and programs such as school dances, sporting events, class activities, and fieldtrips based on discipline referrals.

STUDENT SERVICES

The Ambridge Area School District provides an array of services to the elementary, middle school and senior high students through its educational programs, education partnerships, and through a viable network of outside agencies and resources.

Student services include vision and hearing screenings, counseling, speech evaluations, parent conferences, class presentations, educational placements, and psychological evaluations.

The Multi-Tiered System of Support (MTSS) on the elementary level helps by focusing on strategies, interventions, and adaptations to help children learn and succeed. Its goal is to help improve the children's reading and math skills for academic success.

The Student Assistance Program (SAP) is available at All schools in the Ambridge Area School District.

The school district has a student attendance policy. The principals' office staff keeps track of student tardiness and absences.

Programs are also provided to students with special needs that require special services. Full time psychologists as well as speech, hearing, and vision therapists are employed to provide those children needing these special services. Special classes include Learning and Emotional Support, Gifted Support, and Life Skills. These classes are coordinated by the Director of Special Education .

If you have any questions, please contact your child's school.

STUDENT ASSISTANCE PROGRAM (SAP)

- The Ambridge Area Student Assistance Program is a component of the Ambridge Area School District's educational and referral based program.
- The SAP Teams are multi-disciplinary teams composed of school personnel

(administration, school nurse, social workers, and teachers) trained to understand and work with students and parent(s) / guardian(s) of students who are facing barriers to educational success.

- Mental health issues such as suicide ideation, attempts, threats, and depression are also addressed through this program. SAP's primary role is the identification, intervention, and referral to a licensed drug and alcohol agency or mental health facility. SAP works in cooperation with the family, school professionals, and community agencies to address students at risk for depression and suicide, and will follow Ambridge Area School District policy entitled Students at Risk.
- If you, as a parent/guardian or community member, have a concern about a young person, you are encouraged to contact the SAP coordinator, child's teacher, social worker, or building principal.

STUDENT PLANNERS

The district provides planners for students in grades three, four and five. The student planners are school property. The planner is required and intended to help students become organized and to give parents a communication tool between school and home. The replacement cost for a planner is \$8.00. A limited number of replacement planners are available for purchase in the office.

STUDENT RECORDS POLICY

In order to comply with the Federal Family Education Right and Privacy Act plus the Buckley Amendment, the Ambridge Area School District is giving official notice of the following:

1. Directory information will be made available during the course of the year to publicize school functions in the news media. If the parents object to the directory information being made available to the news media, they should write a letter to the building principal stating that such information be withheld from the media concerning their child. Directory information will include the following information relating to a student: Student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of

members of athletic teams, dates of attendance, grades and awards received, most recent educational agency or institution attended by the student and other similar information. The parent of the student or eligible student may object to directory information being made available.

2. The Ambridge Area School District is informing parents of the purposes and character of data that is being collected during the course of the school year. A list of the tests that shall be administered during the school year is included in this booklet.
3. Parents of students or eligible students are hereby notified of their rights under the Buckley Amendment. A copy of the Student Record Policy may be viewed in the building principal's office. Parents of students or eligible students have a right to file complaints concerning alleged failures by the Ambridge Area School District to comply with the Buckley Amendment by writing to the OFFICE OF HEALTH, EDUCATION AND WELFARE. Parents of students or eligible students who have been identified as having their primary or home language other than English will be notified personally by the principal's office of the provisions of the Student Policy for English Language Learners.
4. The Ambridge Area School District shall forward educational records on request to a school once a child seeks or intends to enroll in that school. The parent of the student, or eligible student, upon request, shall be furnished copies of the educational records that have been transferred. If a parent of a student or eligible student objects to the records being sent to the school in which the child seeks or intends to enroll, they should do so in writing to the building principal.

STUDENT SEARCHES

With reasonable suspicion or in the case of an emergency, the administration reserves the right to search a student and his/her belongings, which may include but are not limited to a backpack, clothing, purse or any other belongings.

SUSPENSIONS (ISS) and (OSS)

In-school suspension (ISS) and out-of-school suspension (OSS) are instituted for students not obeying school rules. Parents will receive notification of their child's suspension assignment.

Students who receive an out-of-school suspension (OSS) or expulsion are not permitted on school property for any reason, which also means they are not to utilize school facilities (i.e. playgrounds) or attend or participate in any school functions until the morning they are permitted to return to school.

TESTING

In accordance with the recommendation of the Superintendent of Schools, the Board of Education has approved a testing program designed to provide information concerning the proficiency of children in the district on standardized tests of academic achievement and aptitude.

The results of these tests provide a continuing record of each child's academic progress in comparison with national norms. They provide important data to your child's teacher for identifying individual strengths and weaknesses in order to provide more effective individualized instruction. During the coming school year, the following tests may be administered to your child as part of this program.

VACATION – MAKE-UP WORK

When it is necessary for your child to be absent due to vacation, contact the main office for a vacation request form. A vacation request must be completed and signed by the school administrator prior to absences and not after the vacation or the student will be marked with illegal absences.

The student, upon returning, will have ample time to make up the work that was missed. It is not necessary to send the work or books with them on vacation.

Please discuss with your child's teacher or principal about educational ideas that could be incorporated into your vacation. Remember, if handled properly, a vacation can be fun and exciting as well as very educational.

VISITORS

Due to the State's school safety laws, students are not permitted to bring visitors to school during the regular school day.

All visitors, regardless of their purpose in the school, **MUST** report to the office. No one is permitted in the school without authorization from the office and a visitor's badge. Former students visiting teachers may only enter the building after 3:30 pm.

VOLUNTEERS

Volunteers are encouraged to become a member of the PTA/PTO.

Volunteers must have the following documentation on record with the school district:

- 4) Current TB test

Volunteers must follow all confidentiality laws. Volunteers must report concerns to the building Principal.

Visitor Management Board Policy

RAPTOR is a web-based software application developed with the purpose of aiding educational facilities in tracking their visitors, students and faculty. RAPTOR not only provides an effective, efficient method for tracking, but also goes beyond conventional applications by utilizing available public databases to help control campus security. RAPTOR allows schools and facilities to produce visitor badges and electronically check all visitors against registered sexual offender databases. The overall goal is to better control access to all Ambridge Area schools, thus providing enhanced protection for our students and staff.

Upon arrival at the school, visitors must register at the designated sign-in location. All visitors must provide valid government issued photo identification. Visitor IDs will be scanned against multiple databases to ensure the safety of our students. Once approved, all visitors will be issued a badge that must be worn at all times on school property. All visitors must sign out before exiting. Further details are outlined in our building level visitor policy.

AMBRIDGE AREA SCHOOL DISTRICT

ATTENDANCE POLICY

The purpose of this policy and its associated guidelines is intended to promote regular school attendance and to facilitate the academic, social, emotional, and physical development of students.

Compulsory School Attendance Law

The compulsory school attendance law of the Commonwealth of Pennsylvania (24 PS 13-1327) requires every child of compulsory school age to be in school attendance, unless absent for an approved reason, and charges the parents/guardian of the child with the responsibility for the child's school attendance.

Pennsylvania attendance law states:

- **Parents may write 10 excuses for their child each school year;**
- **Additional absences require a doctor's note or they will be recorded as unexcused.**
- **Any student missing 10 or more unexcused days (independently or combined) will be subject to a citation. As a result of a magistrate's ruling, fines could be levied and/or driver's license suspended.**

Attendance is compulsory from the Federal level down to the State level with local districts being held accountable for enforcing attendance policies.

ABSENCES

"Absence" is the failure of a student to attend school on those days, half days, and minutes school is in session.

<u>Excused Absence/Tardy:</u>	<u>Unexcused Absence/Tardy:</u>
<ul style="list-style-type: none"> ▪ College Visitation/Junior-Senior Excusal for Interviews (Maximum of 3 days total) ▪ Court Appearance ▪ Death in the Immediate Family ▪ Delay or Absence of School Bus (MUST notify school) ▪ Dental and Medical Appointments (with written documentation from doctor) ▪ Educational Tour/Trip ▪ Family Vacation (Maximum of 5 days with advance principal approval) ▪ Homebound Instruction (as determined by medical examination and principal approval) ▪ Illness/Health Care ▪ Impassable Roads ▪ Quarantine ▪ Religious holidays and Religious instruction 	<ul style="list-style-type: none"> ▪ Babysitting ▪ Days identified as "skip days" ▪ Gainful employment ▪ Hair Appointment ▪ Having a vehicle fixed/inspected ▪ Hunting ▪ Leaving school without permission ▪ Missing the school bus ▪ Non-approved sporting events ▪ Non-approved trips ▪ Non-school related activities ▪ Shopping ▪ Truancy

* The list is not all-inclusive and does not preclude the classification of other absences as excused or illegal/unexcused as determined by building administration.

Tardiness

A student tardy to school after the late bell must report directly to the school office where a tardy slip will be issued to be given to the student's teacher for admittance to class.

Tardy minutes to school accumulate and contribute to a truancy filing with the magistrate. There are 360 minutes in a school day, and when a student accumulates 360 minutes tardy to school or leaves for an early dismissal, it will count as one (1) unexcused absence. Notification letters will be sent home when the student has accumulated a total of:

1. 1080 total minutes tardy = 3 days
2. 2520 total minutes tardy = 7 days
3. 3600 total minutes tardy = 10 days

Tardiness vs. Half-Day Absence

	Elementary	Secondary
Tardy	8:35AM – 11:30 AM	7:35 AM – 11:00 AM
Half-Day	11:30 AM – 12:30 PM	11:00 AM – 12:00 PM

Early Release From School

Any student who leaves school during the day must have parental permission. A medical excuse is required from the doctor (within 3 days) in order for the absence to be excused.

COMPULSORY ATTENDANCE AND TRUANCY ELIMINATION PROGRAM

1. Parent/guardian should direct their children to report to school even when it appears that the child may be late for school. **The parent/guardian is urged to call the school office whenever their child will be absent from school. A written parental excuse must be received by the school office upon return to school.**
2. For students to receive credit for a course, they must meet both academic and attendance requirements established and approved by the Ambridge Area Board of Education. Student attendance and participation in a class are crucial to the learning process.
3. A parent can only excuse ten (10) student absences during the school year. Absences beyond the tenth day require documentation; a parent note must be received by the attendance office within three (3) days of the student's return to school from an absence. A letter will be sent home on the 10th day of parental excuses, after which a medical excuse will be required for additional absences.
4. A written notice will be sent home for students following the 3rd, 7th, and 10th unexcused/illegal absences for the school year. (Keep in mind that any absence that isn't documented within three days after returning to school is considered unexcused/illegal).
5. Upon receiving the third notice (10 school days), the student will also be referred to the District Magistrate. Additional citations will be issued following continued absences.
6. To support and prevent patterns of absenteeism, the following may occur:
 - Referral to the AASD Social Worker
 - Referral to Truancy
 - Referral to SAP/Child Study
 - Referral to CYS
 - Referral to Magistrate
 - Referral to Beaver County Behavioral Health.

AMBRIDGE AREA SCHOOL DISTRICT

BUS RULES REGULATIONS

All Kindergarten students will not be released from the bus if an adult or parent is not at the bus stop to meet them. Drivers will continue with the bus route if a parent cannot be reached, and will return to the stop after all students are taken home. Parents of kindergarten students should arrive at the bus stop prior to the expected arrival time.

Bus violations are taken very seriously. They jeopardize the safety and well-being of all the students on the bus. Improper behavior on the bus is unacceptable and will not be tolerated. Students are expected to comply with bus regulations and be cooperative and courteous with the driver. The driver is in charge of enforcing school district and bus policies while students are on the bus.

OBJECTIVE: The objective of the AASD is to provide every student who uses school-provided vehicles with safe transportation to and from school.

PARENTS: In order to achieve this objective, we need the support of parents. We are asking that parents review the following school bus rules with their children and let them know the critical importance of following directions and not distracting the bus driver.

BUS RULES:

Students shall:

1. Enter the bus, take a seat and **remain seated** until it is time to exit the bus
2. **Keep their hands and feet to themselves** and under **no circumstances** have body parts such as hands or head outside of the bus window
3. **Not throw or toss** items in or outside of the bus
4. **Not eat or drink** on the bus
5. **Speak in a low tone of voice**, no screaming or inappropriate language is allowed.
6. **Only ride on the assigned bus** and in some cases sit in assigned seat as designated by the school principal
7. **Follow all school rules** and regulations as outlined in the Student code of Conduct found in the Student Handbook which is available on the district/school website
8. **Listen to and follow the directions** of adults in the bus such as the bus driver, bus aide or building staff member
9. Use headphones when listening to media from any personal electronic devices.

Caution to students & parents:

Students' bus transportation to and from school is a **privilege** and **not a right**. **Failure of students** to follow the school rules and regulations **may** result in:

- **Loss** of student bus transportation to and from school on a temporary basis
- In or out of school **suspension**
- ***Expulsion** from the Ambridge Area School District

*An incident of student disruption such as fighting which causes the driver to stop or pull the bus off the road and call for law enforcement, Bus Company, or school officials and/or emergency services will be treated as conduct that may lead to expulsion from the Ambridge Area School District.

PARENTS - Again we ask for your support in making student bus transportation in the AASD a safe and pleasant experience for all students

NOTE: The PRINCIPAL has an obligation to address all bus issues including any violation which may not be listed above.

Some bus offenses receive school suspension, as well as a bus suspension. This action is at the discretion of the building principal and in accordance with the school district policy. Absence or tardiness due to loss of bus riding privileges will be considered ILLEGAL and appropriate action will be taken. **IF AN OFFENSE NECESSITATES IMMEDIATE BUS SUSPENSION, A WARNING WILL BE BYPASSED.**

STUDENT RESPONSIBILITIES

Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.

- District iPads will be provided to students for grades Kindergarten through five. District laptops will be provided to students in grades six through twelve. This District device is designed to be the student’s personal learning device. As is the case with all technology used at or owned by Ambridge Area, students are governed under the rules and regulations covered in Ambridge Area's Board Approved Responsible Use Policy #815, other Board policies, the Student Handbook and other official District directives.
- Parents and/or Guardians and Students are required to sign a Student Device Agreement prior to receiving their district issued device. Device terms are outlined in the Device User Agreement document.
- Inappropriate use of a District issued laptop or iPad could result in disciplinary action. In addition to the Responsible Use policy, the following guidelines also apply:
 - Students may configure additional personal email accounts on the device, but email content resides on the device and will be subject to these rules and regulations.
 - Mobile device management software and profiles may not be removed from the device.
 - "Jailbreaking" the device results in the loss of the Apple warranty and is a violation of the terms of use. Using a jail-broken device on the Ambridge Area network is prohibited.
 - It is expected that students will have their laptop or iPad available each day for class, and that it is charged at home daily.
 - Laptops and iPads are to be returned as received, except normal wear and tear as determined by the District, when a student withdraws from the District or when requested by any school District official.
 - Administration reserves the right to access and review student computer/iPad use, the District devices and/or internet and technology use at any time. Students have no privacy interest in District provided technology devices or their use of District technology.
 - The Ambridge Area School District *Responsible Computer, Telecommunications, and Information Technology Use School Board Policy #815* applies to all students and staff using laptop computers and iPads, regardless of location.
 - The assignment and use of a laptop computer is considered to be a privilege. Inappropriate use or neglect of a laptop, iPad, charger, the Internet and/or any installed software could result in the loss of laptop or iPad privileges. Loss of privileges will not change classroom expectations and/or assignment completion.
 - District issued device repair and replacement costs are covered under the *Student Device User Agreement*.
 - All equipment must be returned or made available to AASD upon the student’s separation from AASD, either by graduation, withdrawal, or at the request of AASD Administration.
 - *All equipment must be returned in good working condition* (i.e. no cracked screens, broken glass, missing charger or charger cable). If the iPad is damaged, the student and his/her parent or guardian will be charged the repair fee.
 - Lost devices are the responsibility of the student. If an iPad is lost, the student and his/her parent or guardian will be charged the replacement cost.
 - Replacement cost for stolen iPads or laptops will be dealt with on a case by case basis. No stolen iPad or laptop will be replaced without a copy of a police report.
 - Find my iPad must be enabled on all student iPads. If a student disables Find my iPad and the iPad is lost or stolen, the replacement cost for the parents will be the full cost of a new iPad.
 - Any other directive communicated by the District to students and their parents/guardians must be followed.

DATA BACKUP

Students are responsible for maintaining a backup of all data on the laptop or iPad, either by using your District Office 365 account or another means such as a flash drive. Ambridge Area School District is not responsible for data loss in the event of a device failure or malfunction.

OFFICE 365 STUDENT ACCOUNT INFORMATION

Ambridge Area School District has purchased Office 365 for all students in Grades K-12 to allow for collaboration using our custom implementation of Office 365. These accounts are for school district curriculum and instruction. The rules governing proper electronic communications by students are included in our Responsible Use Policy in conjunction with School Board Policy #815 and may be amended from time to time. The primary purpose of Office 365 is for students to have access to Office applications from any device with a connection to the internet. The Office 365 suite is cloud-based and accessible from anywhere. Students will use Office 365 to communicate with staff, send and receive emails, access school assignments, collaborate with fellow students on school activities and store files in OneDrive. Students may attend school virtually and engage in synchronous learning opportunities with educators and classmates using Teams. Collectively, these are referred to as the “Office 365 Apps.”

Students have access to the current desktop Microsoft Office suite on a maximum of five personal computers and five mobile devices. Students have access to 1TB of cloud storage that will allow access to files both at home and at school. Account usernames and passwords will be provided to parents upon request so parents may monitor the account. Use of the school’s Office 365 program is a privilege, and may be revoked at any time for misuse. Official student email addresses will be assigned. This account is considered the student’s official AASD email address until such time as the student is no longer enrolled at AASD. This is the same username and password that the students use to log in to the network at school followed by @ambridgearea.org. For example, 26jasmith68@ambridgearea.org. All students should already know their usernames and passwords. If they do not, they should contact their homeroom teacher or the technology department.

Administration reserves the right to access and review student content in Office 365 at any time and to update or to change its technology offerings. AASD complies with all state and federal privacy laws. As with any educational endeavor, we feel that a strong partnership with families is essential to a successful experience.

SUPERVISION AND MONITORING

AASD administrators and their authorized employees monitor all information technology resources to ensure that student utilization is secure and conforms to this policy. Administrators reserve the right to examine, use, and disclose any data found on the school’s information networks or on District devices in order to further the health, safety, discipline, and/or security of any student or other person, or to protect property. They may also use this information in disciplinary actions and will furnish evidence of crime to school officials and law enforcement. Teachers will make every reasonable effort to monitor conduct in order to maintain a positive learning community. All users will respect each other’s time and efforts by supporting the same positive approach.

For the protection of students, filtering of content, monitoring of the network, and protection of information will be conducted in accordance with Act 197 (Pennsylvania House Bill 2262), The Children’s Internet Protection Act. Despite every effort for supervision and filtering, all users and their parents/guardians are advised that access to the Internet may include the potential for access to inappropriate materials for school-aged students. Every user must take responsibility for his or her use of the network and avoid these sites.

CONSEQUENCES FOR VIOLATIONS

Failure to comply with district Acceptable Use Policies may result in disciplinary action by faculty and/or administration including the loss of use of the school’s information technology resources and possible referral to law enforcement agencies.

McKinney-Vento Homeless Assistance Act

Life is uncertain, but your child's education doesn't have to be. Even if you lost a permanent residence, your child can receive help to stay in their home school district. Pennsylvania's Education for Children and Youth Experiencing Homelessness Program ensures every child deserves school stability.

The McKinney-Vento Homeless Assistance Act can help provide school stability for your child if you do not have a permanent home and are:

- Staying with friends or family because you lost housing.
- Living in a shelter, including transitional programs
- Staying in motels because you cannot get your own home.
- Living on the streets, in a car, van, tent or other nonpermanent structure.

Information for School-Age Youth

- A shelter.
- A motel or campground due to the lack of an alternative adequate accommodation.
- A car, park, abandoned building, bus or train station.
- Doubled up with other people due to loss of housing or economic hardship.

As an eligible student you have the right to:

- Receive a free, appropriate public education.
- Enroll in school immediately, even if lacking documents normally required for enrollment.
- Enroll in the local school or continue attending your school of origin (the school you attended when permanently housed or the school in which you were last enrolled), if that is your preference and is feasible.

If the school district believes that the school selected is not in your best interest, the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

- Receive transportation to and from the school of origin, if you request this.
- Receive educational services comparable to those provided to other students, according to your needs as a student.
