# Heidelberg Advantages

A female student with blonde hair tied back, wearing safety goggles and purple gloves, is focused on using a pipette in a laboratory. She is wearing a dark grey lab coat. In the background, a male student in a black t-shirt with 'ROCK' written on it and safety goggles is looking on. The lab bench is cluttered with various pieces of equipment, including a pipette rack, beakers, and a blue box. A sign on the wall reads 'CLEAN UP YOUR ACT'.
