Santa is inviting the students of the Ambridge Area School District to his “OUTDOOR” Santa Shop. Due to covid-19 restrictions and school closures Santa Shop was unable to occur in school this year as it normally would, leaving many students disappointed. However, we are hoping to give students an opportunity to purchase gifts for their families and friends. Items are priced from 50 cents to \$5.00. So bring the kids and get some gifts or last minute stocking stuffers while enjoying a hot chocolate and a cookie. It’s rumored Santa Claus will be making a special appearance. Due to covid-19 social distancing and masks will be required.

*****Just a reminder Santa will be making his way thru Economy Boro on the fire truck on Monday, December 14th thru Wednesday, December 16th passing out goodies to the children and collecting nonperishable items for the local food bank.**
