AP EXAM EXAMINATIONS: Ambridge Area High School

Dear Parent/Guardian,

Due to COVID19 there have been changes made to the AP testing schedule for this 20-21 school year. We will be participating in the “Administration 2” cohort, meaning that some tests will take place online at home, and some will be completed paper/pencil in school. Please note the following:

- All AP testing dates and times are outlined below.
- If your student is taking multiple exams and there is a conflict with their testing schedule please let Noel Santini know. We will work with the collegeboard to have an alternate testing date assigned.
- Attendance: For students testing online and in school – they will only be required to attend their test for that day and will be marked present for the entire day
- If your students test is scheduled for 12:00pm and are testing in school, they are responsible for their own transportation.
- All Math, Science and English exams fees will be covered by the AAHS NIMSI Grant
- If you are taking European History or Psychology the cost of this exam is \$53.00 Checks can be made out to Ambridge Area School District and should be brought to the guidance secretary, Mrs. Misencik. Checks are due no later than April 30th, 2021
