III. Approval of the Minutes from the February 18, 2021 Safety Meeting

Mary Jo Sivy moved to accept the minutes, seconded by Diana Marshall

IV. Old Business

- a) We received a quote from School Health Corporation for the missing AED in the first floor wing of Economy. The quote was sent to Dr. Pasquerilla to review and he has authorized the purchase.
- b) The High School Building Inspection Walk on 2/24/2021 by Jason Roos, Janice Zupsic and Ron Wilson was reviewed. Items that need addressed have be given to maintenance.

V. New Business

- a) Committee discussed an issue brought to the attention of a committee member regarding teachers having access to all the building doors at the elementary schools. The reason for this request is that now that the weather is getting nicer and the children will be going outside they do not want to have to go to the front of the building to re-enter. The Pandemic Committee will handle this topic in their meeting on 2/16/21.
- b) Barry King volunteered to do the remaining Building Inspection Walks. The walks will be scheduled out of his office.
- c) An email will be going out to building principals to find a volunteer from each building to join the Safety Committee and to request that all building principals and vice-principals attend each Safety Meeting.

VI. Review of Workplace Accident Reports and Investigation Reports

There were two student related incident reports.

VII. Adjournment

Diana Marshall motioned to adjourn and Joseph Pasquerilla seconded. The meeting was adjourned at 2:33 P.M.

Respectively submitted,
Tracey Murphy
Safety Committee Secretary
