

# DO3 Scholarship For Students with Life-Threatening Illnesses

DO3 is an organization that provides children fighting life-threatening illnesses a Rodeo experience. As DO3 continues to grow, we will be offering two scholarships, one for \$1500 and one for \$500, to students who have/had a life-threatening illness to help them financially so that they will be able to attend a two or four year college or university or a professional or technical school. Any graduating senior or current higher education student, who has/had a life-threatening illness can apply by going online to [dreamingofthree.org](http://dreamingofthree.org) and filling out the necessary application. Seniors must have a minimum unweighted G.P.A. of 3.25, a record of community service, letters of recommendation and submit an essay. Applications will be accepted from March 1 to April 30 of each year, with the winner to be notified by email on or before May 31 of the award year.
