Dear State Street Family,

Please complete the below "Electronic Packet Registration Form 2022-2023" if you would like to receive communication via email from State Street Elementary's Parent Teacher Organization (PTO). PTO uses "weekly packets" to communicate activities, events and other useful information from various sources such as: PTO, principal, teachers, school district, community groups, etc.

Most of the "weekly packet" information is for your review and informational purposes only. **If a form needs to be returned to the school (ie: fundraisers, registrations for dances/activities, etc.) paper forms will be sent home with your student(s).** Extra paper copies will be available in the school office.

To ensure communications are delivered to your inbox, please add our email address to your contacts list: ptostatestreet@gmail.com

Thank you,
- State Street PTO Board

*** Please return the below form & print legibly ***
-OR- email the below information to ptostatestreet@gmail.com
