INTRODUCTION

The following pages represent the rules and regulations for student behavior at Ambridge Area High School. Important information for a successful school year is outlined. Students are encouraged to review this information with their families. Please note that substantial revisions have been made to the dress code and Code of Conduct.

Once the handbook/planner is distributed, each student and a parent/guardian must sign-off that they have received a copy and are aware of its contents. They also must complete a computer usage and prescribed medication form located at the end of this handbook.

Failure to comply with this procedure could result in delayed participation in sports, field trips, school activities and/or disciplinary action. Your cooperation is greatly appreciated.

Revisions to this handbook may be made during the school year as the result of Board policies approved after the date of publication. In such cases students and their parents will be advised of additions or deletions and their impact on students' safety and conduct. All adopted Board policies are incorporated into the Handbook by reference and when there is a conflict, the Board policy takes precedence.

If you would like to meet with staff or administration, we ask that you make an appointment so that we can be sure to give your questions the time and attention they deserve.

Together we will have a positive and successful school year!

ENTERING AND EXITING THE BUILDING

For safety and security reasons, students, visitors and guests must enter and exit the building through the main doors at the “**Bridge**” main entrance during school hours. In the event of an emergency, all doors may be used to exit the building. Exterior doors should be closed at all times.

Upon arrival at the school, scheduled/approved visitors must register at the designated sign-in location. Parents or guardians who enter the school must sign in and obtain a visitors pass. Due to the state’s school safety laws, students are not permitted to bring visitors to the high school during the regular school day.

All visitors must provide valid government issued photo identification. Visitor IDs will be scanned against multiple databases to ensure the safety of our students. Once approved, all visitors will be issued a badge that must be worn at all times on school property. All visitors must sign out before exiting. Further details are outlined in our building level visitor policy. Former students visiting teachers may only enter the building after 2:30 PM.

Upon entry, all students and visitors may be required to pass through a metal detector. All bags may be checked or passed through a bag scanner to ensure compliance with District policies.

VISITOR MANAGEMENT STUDENT HANDBOOK POLICY

Raptor is a web-based software application developed with the purpose of aiding educational facilities in tracking their visitors, students and faculty. Raptor not only provides an effective, efficient method for tracking, but also goes beyond conventional applications by utilizing available public databases to help control campus security. Raptor allows schools and facilities to produce visitor badges and electronically check all visitors against registered sexual offender databases. The overall goal is to better control access to all Ambridge Area schools, thus providing enhanced protection for our students and staff.

All parents/guardians attempting to gain access to the school facility for the first time will present a valid driver’s license (any state), official state photo identification card (any state), or government issued photo ID for scanning.

The Ambridge Area School district will abide by COVID-19 guidelines issued by state and federal agencies. Those guidelines may supersede the policies and procedures as outlined in this handbook.

CORRIDOR PASS POLICY

1. A student must have signed out of the classroom and possess a corridor pass.
2. Classroom teachers and/or administration may limit hall pass use per class per nine weeks.
3. Approved medical conditions may be excluded if approved by the school nurse.

LATE ARRIVALS

A student who is tardy to school after the late bell must report directly to the security office where a tardy slip will be issued to be given to the student’s teacher for admittance to class. Tardy minutes to school accumulate. There are 360 minutes in a school day, and when a student accumulates 360 minutes tardy to school, it will count as one (1) unexcused absence.

Tardiness vs. Half-Day Absence

	Elementary	Secondary
Tardy	8:35 AM – 11:30 AM	7:30 AM – 11:00 AM
Half-Day	11:30 AM – 12:30 PM	11:00 AM – 12:00 PM

EARLY EXCUSAL FROM SCHOOL

Any student who leaves school during the day must have parental permission. A medical excuse is required from the doctor (within 3 days) in order for the absence to be excused. As noted previously, early release time in minutes will accrue and can impact student attendance rates and permission to participate in school sanctioned sports and activities.

AFTER SCHOOL HOURS

For student safety and school liability purposes, students are not permitted to loiter on school property following the school day, unless participating in an athletic, extracurricular activity or school sponsored activity under the supervision of staff or facility. If this rule is violated, your child will not be permitted to stay for future athletic /after school events or may be placed on social probation.

ENROLLMENT

New students enrolling at Ambridge Area High School must report to the High School Attendance Office and complete an enrollment form. If the student is not living with his/her parents, an affidavit of residency will be required. The district reserves the right to take necessary steps to verify and/or confirm residency.

Under Pennsylvania's Act 26, prior to admission to the school district, the parent, guardian, or other person having control or charge of a student shall, upon registration for admission, provide a sworn statement or affirmation stating whether the pupil was previously suspended or expelled from any public or private school of the Commonwealth or any other state for an act or offense involving weapons, alcohol or drugs or for the willful infliction of injury to another person or for any act of violence committed on school property. Such registration shall be maintained as part of the student's disciplinary record. Parents and guardians shall be advised that any willful false statement made under this section shall be a misdemeanor of the third degree.

When a student transfers to this school district, a certified copy of the student's disciplinary record shall be requested and obtained from the school entity from which the student is transferring. This record shall be maintained as part of the student's permanent disciplinary record and shall be available for inspection as required by law.

Please contact Central Administration for questions on enrollment: 724-266-2833, ext. 1273.

SCHOOL POLICIES ARE IN EFFECT

Policies in this handbook are in effect: (1) during school hours, (2) on school property, (3) while using district approved transportation, (4) before, during and after school at events observed, sponsored by and/or supervised by district staff, (5) while on route to or from school, (6) during the school day when truant from school, (7) or any other time a reasonable nexus can be made with the educational mission or representation of the school.

STUDENT RESPONSIBILITIES

Student responsibilities include regular school attendance, conscientious effort in classroom work, and conformance to school rules and regulations. Most of all, students share with the administration and faculty a responsibility to develop a climate within the school that is conducive to wholesome learning and living.

STUDENTS DO NOT HAVE THE RIGHT TO INTERFERE WITH THE EDUCATION OF FELLOW STUDENTS. IT IS THE RESPONSIBILITY OF ALL STUDENTS TO RESPECT THE RIGHTS OF TEACHERS, STUDENTS, ADMINISTRATORS, AND ALL OTHERS WHO ARE INVOLVED IN THE EDUCATIONAL PROCESS.

Students should, therefore, express ideas and opinions in a respectful manner so as not to offend, slander, or threaten the safety of others.

It is the **student's responsibility** to:

- Be aware of all rules and regulations for student behavior and conduct themselves in accordance with them.
- Be willing to volunteer information in matters relating to health, safety, and welfare of the school community and the protection of school property.
- Dress and groom to meet fair standards of safety and health, and so as not to cause disruption of the educational process (see specific dress code contained in this handbook).
- Assume that until a rule is waived, altered or repealed it is in full effect.
- Assist the school staff in operation of a safe school for all students enrolled therein.
- Be aware of and comply with state and local laws.
- Exercise proper care when using public facilities and equipment.
- Attend school daily, except when excused, and be on time to all classes and other school functions.
- Make all necessary arrangements for making up work when absent from school.
- Pursue and attempt to satisfactorily complete the courses of study prescribed by state and local school authorities.

GRADING SCALE

The grading scale used at Ambridge Area High School will be based on a four point system (i.e. A=4, 90-100%, B=3, 80-89%, C=2, 70-79%, D=1, 60-69%, E=0, 0-59%). Many higher-level classes are weighted courses. A student should check the Guidance Office or course selection book for this list.

WEIGHTED COURSES

A student must earn an “A”, “B”, or “C” grade to receive the additional weighted value. A student who receives a “D” will obtain the credit value for the course but not the weighted value. The following is an outline of courses which have additional weight.

Weighted GPA will be calculated in two steps. The first step is to calculate a “Non-Weighted GPA” on a 4.0 scale. Once this GPA is calculated, an add on factor for “Advanced Placement” and “Honors” combined with the Non-Weighted GPA in the following manner. All course weight is assigned by course, not by grade level.

<u>AP / Dual Enrollment</u>	<u>Add On Factor</u>	<u>Honors</u>	<u>Add On Factor</u>
A	.50	A	.25
B	.40	B	.18
C	.30	C	.10
D	No Weight Assigned	D	No Weight Assigned
E	No Weight Assigned	E	No Weight Assigned

The following is a listing of the weighted courses:

Advanced Placement Biology	College Algebra (Dual Enrollment)
Advanced Placement Calculus AB & BC	CCBC Academies (Dual Enrollment)
Advanced Placement Physics I, II	Honors World Cultures
Advanced Placements Physics C; E&M	Honors US Government & Economics
Advanced Placement European History	Honors Technology I & II
Advanced Placement Psychology	Pre-Calculus
Advanced Placement Computer Science Principles	Calculus
Advanced Placement Environmental Science	Italian III
Advanced Placement Compute Science A – JAVA – ADD	Italian IV
Advanced Placement English Literature & Composition	Italian V
Advanced Placement English Language & Composition (Dual Enrollment)	Spanish III
College Prep English 12: In Cooperation with CCBC (Dual Enrollment)	Spanish IV
College Prep English 11	Spanish V
Advanced Placement/College Statistics & Probability	
Advanced Placement /College in HS Chemistry (Dual Enrollment)	

HONOR ROLL

To be on the “**A**” **Honor Roll**, students must earn an “A” grade in all subjects meeting five days per week. There may be one grade of B in one of these subjects. There may be no grade lower than a “C” in subjects meeting less than five times per week. An incomplete, “I” grade disqualifies a student from the Honor Roll.

To be on the “**B**” **Honor Roll**, students must earn a “B” grade in all subjects meeting five times per week. There may be one grade of “C” in one of these subjects. There may be no grade lower than a “C” in subjects meeting less than five times per week. An incomplete “I” grade disqualifies a student from the Honor Roll.

The computer selects students who qualify for the Honor Roll and their selection is based upon grades submitted by the students’ teachers each nine weeks. The Honor Roll will appear four times a year and will be based only upon the grades for each individual nine-week period.

GRADUATION REQUIREMENTS/ KEYSTONE EXAMS/GRADUATION PATHWAYS

1. Students must complete the specific credit/course requirements as listed in the course selection book.
2. Students must receive “proficient” or “advanced” on the Algebra I, Biology and Literature Keystone Examinations in order to satisfy Keystone Graduation Requirements and participate in the applicable rewards program.

3. Starting with the Class of 2023 and beyond, in accordance with The Pennsylvania Department of Education, PDE, Act 158 and Act 136, students will be required to demonstrate proficiency or meet one of the graduation academic pathways in association with the Keystone End-of-Unit Exams prior to graduation as per The Pennsylvania Department of Education (PDE) and State Law Act 158: (1) Keystone Proficiency Pathway, (2) Keystone Composite Pathway, (3) Alternate Assessment Pathway, (4) Evidence-Based Pathway, and (5) Career and Technical Education Pathway. The first two pathways correlate as per PDE to Proficiency, Advanced or Composite Scoring:

1. **Keystone Proficiency Pathway:** Scoring proficient or advanced on each Keystone Exam - Algebra I, Literature, and Biology.

2. **Keystone Composite Pathway:** Earning a composite/combined score of 4452 on the Algebra I, Literature, and Biology Keystone Exams (while achieving at least a proficient score on at least one of the three exams and no less than a basic score on the remaining two). Students are required to sit for all three exams to achieve a numerical score if they wish to pursue the Keystone Composite Pathway. Scores are completed by the completion of exam and are required for Pathway 2 as per PDE.

4. According to ACT 158, graduates of the class of 2023 who do not meet proficiency or advance standings, or the total composite score on the End-of-Unit Keystone exams will be required to provide evidence as per one of the testing pathways prior to graduation for each Keystone area they were not proficient:

3. **Alternate Assessment Pathway:** Completion of locally established grade-based requirements for academic content areas associated with each Keystone Exam on which the student did not achieve proficiency and an established score on an approved alternate assessment and additional evidence as defined by The Pennsylvania Department of Education.

4. **Evidence Based Pathway:** Completion of locally established grade-based requirements for academic content areas associated with each Keystone Exam on which the student did not achieve proficiency and demonstration of three pieces of evidence consistent with the student's goals and career plans, and additional evidence as defined by The Pennsylvania Department of Education.

5. **Career-Technology Pathway:** Completion of locally established grade-based requirements for academic content areas associated with each Keystone Exam on which the student did not achieve proficiency and attainment of an industry-based competency certification related to the CTE Concentrator's program of study, and additional evidence as defined by The Pennsylvania Department of Education.

5. According to ACT 136, students who successfully passed an End-of-Unit Course in the 2019-2020 school year in Biology, Algebra and or Literature Grade Level 10 are not required to complete the End-of-Unit Keystone Exam, and will be marked proficient to satisfy the graduation pathways. As per PDE: Any student who demonstrated successful completion of locally established, grade-based requirements for the academic associated with each keystone exam in the 2019-2020 school year only shall not be required to take the keystone exam related to that course and shall be deemed proficient for graduation purposes.

6. Students who are exempted from a Keystone Exam due to successful completion and passing of an End-of-Unit 2019-2020 Keystone content area class may still benefit from the option to retest to achieve a numerical score for use in the Composite Pathway for graduation purposes if still requiring Keystone tests in other content areas. Scoring a 4452 combined score on all three exams will satisfy the graduation requirement set forth by the Department of Education and your student will not be required to complete any additional graduation pathways. Students who were exempted from a Keystone Exam due to successful completion of an End-of-Unit 2019-2020 Keystone content area class may still benefit from the option to retest to achieve a numerical score for use in the Composite Pathway if still requiring Keystone tests in other content areas.

7. For that reason, all students, including any student enrolled in Biology, a 10th grade English course, or Algebra I during the spring of the 2019-20 school year that have successfully passed the End-of-Unit course and marked proficient will have the opportunity to complete the End-of-Unit test that was delayed due to the COVID-19 pandemic

8. Students must be clear of all monetary and disciplinary obligations and have completed **all** graduation requirements in order to receive a diploma, and to be eligible to participate in commencement activities.

9. Students taking or passing the GED test will not receive an Ambridge Area School District diploma.

GRADUATION – TOP 10 STUDENTS

1. The “Top 10 Students” in the senior class will be determined upon final submission of grades by senior teachers. This will include the grade uploads, verifications, and corrections. Class rank will be determined via grade tabulation. From this list, the Top 10 Students will be awarded Top 10 status. These are the names that will appear on the graduation program. Final grades, class rank and grade point average will be finalized after all final grades are submitted.

2. The Senior Class President and Valedictorian will speak at the graduation ceremony. His/her name and speech title will appear on the graduation program.

SENIOR PROJECTS

All seniors are required to complete a community based senior project with a passing grade to graduate from Ambridge Area High School. Students must follow the guidelines set by the project coordinator and the building administration. All seniors are required to ensure they have completed a Keystone Proficiency Pathway or Alternative Assessment Pathway for graduation as per their Senior Project Application. Any weapons such as knives, guns, bows / arrows, swords, etc., are not permitted for senior projects.

CREDIT RECOVERY

Credit recovery is an option offered to students who have failed a course(s). This option is something that only senior students may transition into during the school year if they are behind various credits and are mathematically unable to pass the course. Teachers of these senior students will reach out to parents/guardians to detail out their classroom performance/grades. Other grade level students will have same credit recovery option afforded to them but **it must be completed during** the summer credit recovery program (after the school year is over). The cost of credit recovery must be paid by the parent/guardian based upon the number of courses that their student needs prior to enrollment to the course. The cost is based upon what it will cost the district to provide the program, therefore there is not money earned for the school district. We encourage parents/guardians to speak to the teacher of record for academic standing and class grades during the course of the school year.

AMBRIDGE AREA CYBER ACADEMY

The Ambridge Area Cyber Academy is an asynchronous form of learning that students at AASD can partake in as another option to enhance their learning! The cyber academy is offered at the secondary level (grades 6-12) and is stationed out of the Ambridge Area High School. The school district has two cyber coordinators that oversee the cyber program and ensure that the student and parent/guardian are well informed and have a school representative that they can reach out for guidance and support. A major benefit of the cyber program is that students are taught by their home district teachers which makes the transition process smooth and also provides students with a local teacher for their academic support! Students are able to use their own personal device or can use a school issued laptop. Parents/guardians have a parent portal and can stay up to date with their student's attendance log and overall student progress. Students will be required to meet graduation requirements as per the Ambridge Area School District. Parents/Guardians are to contact the Cyber Coordinator or Cyber Teacher of Record for any questions pertaining to the Cyber classes and academics. **You may reach the cyber lab at 724-266-2833, ext. 2203.**

Ambridge Area Cyber Academy Offerings:

- Offers an asynchronous form of education that offers flexibility in students schedules, pacing and time of day when a student can participate in schooling.
- Two cyber coordinators that oversee the cyber program.
- Ambridge Area School District teachers.
- School supplied electronic device to complete their cyber school work.
- Course flexibility so that students can take additional coursework outside of their current schedules.
- Students can still participate in extra-curricular and sports activities.

Ambridge Area Cyber Academy Attendance:

Regular attendance is necessary to ensure your best performance in school and is also required by state law. Each student's attendance record at school is very important.

Students in the Ambridge Area Cyber Academy should expect to spend approximately 3 hours working online per course each week. At minimum students are required to spend 40 minutes per school day on each cyber class or 3.5

hours per week on each course in which they are enrolled. Instances of truancy (habitual non-attendance at school) will be handled according to Ambridge Area School District Policy.

Use the following chart below to determine the **minimum** number of hours per week required by Ambridge Area's Cyber Service Program:

- 1 Cyber Class = 3.5 hours per week
- 2 Cyber Classes = 7 hours per week
- 3 Cyber Classes = 10.5 Hours per week
- 4 Cyber Classes = 14 hours per week
- 5 Cyber Classes = 17.5 hours per week
- 6 Cyber Classes = 21 hours per week
- 7 Cyber Classes = 24.5 hours per week
- 8 Cyber Classes = 28 hours per week

Students in the Ambridge Area Cyber Academy have the option of coming into school to work in Ambridge Area High School's computer lab. Students will have access to certified teachers in the core content areas. Failing grades and attendance concerns will result in required mandatory attendance in the cyber lab. Students attending the lab must sign in and mark the periods in which they will remain in the lab. The Cyber Lab for all grades is in Ambridge Area High School, 909 Duss Avenue, Ambridge, in room 203.

Ambridge Area Cyber Academy Activity Participation:

Students must maintain passing grades and attend school in order to be eligible to participate in Ambridge Area extra-curricular activities. Grades and attendance are reported by the cyber coordinators weekly to the Athletics/Activities Office. Students must stay up-to date with their cyber assignments. Questions regarding eligibility can be directed to the athletic director (x2235).

***Please see the Ambridge Area Cyber Academy Handbook for additional cyber academy details.

VIRTUAL LEARNING

Virtual learning is a new platform and way of learning for students to learn in a synchronous manner. While receiving your education in a virtual setting, it is important that all students read and comply with the rules and guidelines below.

- Attendance:
 - Students should be sure to be logged in promptly so that they are marked present AND so that they are not marked late to class.
 - Students must also be sure to remain online for the entire period. Teachers will take attendance through our student information system (Tyler) and also download attendance from Microsoft Teams (which timestamps students arriving and leaving a meeting).
 - Students are **required** to be participating and logging in during the school hours for Synchronous learning following the district Bell Schedule for that day i.e. 2 hr.-delays, activity periods, Act 80.
- Participation:
 - Participation is always important but virtual participation is even more important due to our new form of online education.
 - Students should use their cameras and keep backgrounds blurred or changed to keep privacy within their homes.
 - Students should mute their mics during each class period and raise their "virtual" hand to participate during virtual class time.
 - Students should type in the chat box as another form of participation. Chat box should be used for educational purposes only and content should be on track with the lesson.
- Be prepared:
 - Even when in school, students should have their devices charged and ready to use.
 - Keep other devices and windows closed during class time so that you are fully engaged in learning.

- Students should be set up in a quiet place and be sure to wear school appropriate clothing.
- Grades:
 - Tyler is the school district's official student information system. Please use this to monitor grades and attendance.
- Virtual Etiquette:
 - Turn on your camera at the beginning of class so your teacher can take attendance.
 - Any image used virtually or in person should be school appropriate.
 - Always mute yourself until your teacher recognizes you after you raise your virtual hand. Do not forget to mute yourself after you are done speaking and to lower your virtual hand.
 - Respect privacy and never take screenshots/photos or record classmates and teachers.
- Bridger Pride:
 - Respect other students' rights to learn without interruptions.
 - Communicate respectfully with your teachers and peers.
 - Stay on topic and do not chat (talk or type) in a Teams meeting without the teacher being present.
 - Do not enter a prior or future Teams meeting.
 - FOLLOW ALL SCHOOL AND CLASS RULES. The same rules apply online as well as when at school.

BACKPACKS

Students at the high school are permitted to use backpacks to carry school-related items from class to class. Clear plastic backpacks are preferred to expedite the morning security procedures.

In addition to building entry bag check and/or bag scans, backpacks are subject to searches by school district administrators when there is reasonable suspicion about the improper or illegal contents. Refusal by a student to consent to a search will be perceived as an admission of guilt. The student may then be placed on a period of out of school suspension and a building level hearing will be scheduled. Charges may be filed with the Ambridge Police Department.

STUDENT DRESS CODE

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. See Board Policy 221. A student's appearance must be appropriate for the learning environment. This dress code is designed to serve both purposes.

Students are expected to wear clean, neat clothing that is comfortable and, at the same time, is considered in good taste by the school population, staff and visitors. School clothing should be appropriate for the time, place, known class activities and weather conditions.

The following are specific interpretations of this policy:

The administration shall determine appropriate school attire/appearance and reserves the right to redirect, counsel or temporarily remove any student whose clothing/appearance causes or may cause a disruption to the educational process. If necessary, parental/guardian notification will occur and their assistance utilized to bring the student's dress into compliance.

Parent/guardian cooperation is required to ensure that students comply with this policy. In extreme cases or after repeated reminders to conform to the dress code, it is possible that students may be asked to return home to change clothes or to bring acceptable articles into school in anticipation of future needs. Students who refuse to conform to this policy or otherwise are unreasonably uncooperative may be subject to discipline.

STUDENT LOCKERS

THE ADMINISTRATION RESERVES THE RIGHT TO SEARCH LOCKERS OR TO OPEN THEM. STUDENTS SHALL NOT EXPECT PRIVACY REGARDING ITEMS PLACED IN SCHOOL LOCKERS.

LOCKERS ARE SUBJECT TO SEARCH AT ANY TIME BY SCHOOL OFFICIALS AND THAT RANDOM, PERIODIC OR SWEEPING SEARCHES, INCLUDING CANINE DRUG SEARCHES, OF ALL LOCKERS WILL BE CONDUCTED BY SCHOOL OFFICIALS.

5. Any student entering a locker, other than his/her own, destroying locker contents and/or stealing locker contents will be prosecuted to the fullest limit of the law.

The Ambridge Area School District and its agents cannot and will not be responsible for any stolen, missing or damaged personal property.

In the event a lock has to be "cut" from a locker in the gym or a locker needs to be opened, the student is to secure a "Permission to Cut and Open Locker" slip from the Main Office. After the student completes the necessary information, he/she will have it verified and signed by the physical education teacher and an administrator. The student will give the slip to a custodian who will "cut" the lock or open the locker. The signed slip will be filed in the Main Office.

ACADEMIC ELIGIBILITY FOR ATHLETICS & EXTRA-CURRICULAR ACTIVITIES

Students participating in athletics and activities are expected to maintain passing grades in all of their subjects as reported weekly in grades measured from the beginning of the grading period. Eligibility is determined by the three cases described below. The Ambridge Area School District is governed by the rules established by the National Federation of High School Sports, the Pennsylvania Interscholastic Athletic Association and the Western Pennsylvania Interscholastic Athletic League. Consequently, the standards outlined for academic performance and student attendance as outlined below.

Students must be passing at least four full-credit subjects or the equivalent as of each Friday during a grading period. If students fail to meet this requirement, they will lose their eligibility the immediate Sunday through the following Saturday. In addition, students must have passed at least four full-credit subjects or the equivalent during the previous semester. Students failing to meet this requirement will lose their eligibility for 15 school days of the following semester beginning on the first day that report cards are issued. At the end of the school year, the student's final credits in the student's subjects rather than the student's credits for the last grading period shall be used to determine the student's eligibility for the next grading period. The result if a student is not passing four full-credit courses would be that the student would lose their eligibility for 15 school days during the next sporting season.

A student must pursue a curriculum defined and approved by the principal as a full-time student and must maintain acceptable grades in all classes in order to maintain eligibility. Eligibility is cumulative from the beginning of each grading period and is reported on a weekly basis. Each head coach shall be responsible to assist in monitoring the

academic progress of their students. The Building Principals in conjunction with the Athletic Director shall be responsible to implement and monitor this policy.

ATHLETIC – ATTENDANCE ELIGIBILITY

1. A student may not participate in an event on any school day, which they have not arrived to school by 11:00 AM. However, an exception may be made for medical appointments or other special circumstances, which occur during that day.
2. A student on ISS/OSS will be ineligible to participate in any practices or games on the day(s) of the suspension.
3. A student serving detention may not participate in practice or games until detention is over.
4. Students expelled from school are not permitted to participate according to the PIAA rules.
5. Should a student accumulate more than twenty (20) days of unexcused absences during a semester, the student will be ineligible to participate in athletics (inter-school practice, scrimmage or contest) until the student has been in attendance for a total of forty-five (45) school days following the student's twentieth (20th) day of absence. ***Attendance of summer school does not count toward the forty-five (45) school days of attendance required.

Academic and Attendance Eligibility/Communication system:

1. Grades and attendance are pulled after 3:00PM Friday via Tyler SIS teams report.
2. Eligibility emails are sent to principals and coaches Friday or Saturday. With grades/notations for review.
3. Coaches will communicate with the student-athletes and parents about any academic and attendance eligibility issues.
4. **Academic requirements:** student-athletes must be passing four full-credit classes weekly. If they fail to meet the PIAA requirements- they are out from Sunday through Saturday.
5. **Academic semester:** students must have passed at least four full-credit subjects or the equivalent during the previous semester. Failure to meet this requirement=ineligibility 15 school days of the following semester starting on the first day that report cards are issued.
6. **Attendance requirements:** Should a student accumulate more than twenty (20) days of unexcused absences the student will be ineligible to participate in athletics (inter-school practice, scrimmage or contest) until the student has been in attendance for a total of forty-five (45) school days following the student's twentieth (20th) day of absence.
7. **Attendance semester:** Should a student accumulate twenty (20) days of unexcused absences during the semester, the student will be ineligible until the student has attended for a total of forty-five (45) school days of the following school year.

Students who exhibit improper behavior may lose their privilege to participate in/or attend any or all athletic events sponsored by the AASD.

STUDENT INSURANCE FOR ATHLETES

The Ambridge Area School District has taken out an Accident Policy for all students who participate in any sport. The school athletic insurance program will cover the first \$100 of medical expense without regard to other insurance. Thereafter, expenses over \$100 shall be payable by the parent's own group insurance.

If the insured person is not covered by other group insurance, the excess provision shall not be applicable and benefits will be payable by the school insurance up to the extent of the athletic insurance policy limits. Claims must be made to the school within 90 days of the date of the injury. Any portion of a claim that is not covered shall be the responsibility of the parents. STUDENT ASSISTANCE PROGRAM (S.A.P.)

We believe that students who are at-risk (facing depression/suicide) should receive help as quickly and professionally as possible. Confidentiality must be waived in any life-threatening situation. All attempts will be made to coordinate the efforts of the S.A.P. Team, staff members, family members and community services to prevent harm to a student who is considered at-risk to help develop within the student a feeling of self-worth and resilience.

However, to provide a safe environment for all students, if a student attempts suicide or exhibits suicidal ideation, he/she must receive an evaluation (at the parent's expense) from a licensed mental health facility. In order to return to school, documentation must be provided that includes the recommendation from the facility and that the student is safe.

- A. The Ambridge Area Student Assistance Program is a component of the Ambridge Area School District's educational program.
- B. The S.A.P. Teams are multi-disciplinary teams composed of school personnel (administration, school nurse, counselors, and teachers) trained to understand and work with students, and parents/guardians of students, who are at risk regarding issues of adolescent chemical use, abuse, and dependency.
- C. Mental health issues such as suicide ideation, attempts, threats, and depression are also addressed through this program. S.A.P.'s primary role is the identification, intervention, and referral to a licensed drug and alcohol agency or mental health facility. S.A.P. works in cooperation with the family, school professionals, and community agencies.

SAFE-2-SAY ANONYMOUS TIP-LINE

The Safe2Say Something program was established within the Pennsylvania Office of Attorney General through Act 44 of 2018. Safe2Say Something is a system for anonymously reporting unsafe, potentially harmful, dangerous, violent or criminal activities in any school in Pennsylvania. The program teaches youth and adults how to recognize warning signs and signals, especially within social media, from individuals who may be a threat to themselves or others and to "say something" BEFORE it is too late. With Safe2Say Something, it's easy and confidential to report safety concerns to help prevent violence and tragedies.

Safe2Say Something (S@SS) tips may be submitted by any individual, student, staff member, parent/guardian as a secure and anonymous means to report unsafe, potentially harmful, dangerous, violent, or criminal activities in the school setting or threat of such activities in the school setting through:

1. A 24 hour/day, 7 day/week OAG Crisis Center telephone hotline;
2. A Safe2Say Something program secure website; or
3. A Safe2Say Something mobile electronic app.

CODE OF CONDUCT

PHILOSOPHY OF DISCIPLINE

In order to live and work in an orderly democratic school environment, it is necessary to establish rules and regulations, which will ensure the rights and welfare of all. These rules and regulations are designed to create a safe and supportive learning environment for all students. This is a collective responsibility. When these regulations are violated, the student will be subject to an appropriate form of discipline.

Many matters are handled initially by teachers and other professionals in a constructive manner. Typically, behavior interventions progress in a classroom environment in the following manner: warning/private conference with the student, contact home to parents/guardians, or other interventions. Teachers may require classroom detentions before referring the matter to administration.

In all cases, the administration retains the right to use its discretion in evaluating cases, which may lead to discipline (non-exclusionary discipline, detention, ISS, OSS or referral for expulsion). Reference to the Principal is inclusive of her designees, such as the Assistant Principal.

The district does not discriminate against students with disabilities relative to discipline or implementation of the Code of Conduct. In the case of a student with a disability, including a student for whom an evaluation is pending, the district shall take all steps required to comply with state and federal laws and regulations.

The district reserves the right to escalate and mitigate discipline based on individualized review of each matter, the circumstances and other relevant factors.

CLASSROOM RULES AND REGULATIONS

The classroom teacher is in control of his/her classroom and has a right, an expectation, and a duty to establish clear rules and expectations for proper student conduct. (This includes students being late to their class).

TEACHER DETENTION

Teachers may assign detention for minor classroom infractions. Teacher detentions must be served within five school days.

- Teachers will contact the student's parent or guardian by telephone or in person when detention is assigned.
- Failure to serve teacher detention will result in the assignment of Administrative detention(s) by the administration.
- Administrative detentions may also be assigned for other minor offenses.
- Failure to serve assigned detention(s) by the due date will result in assignment to Saturday Detention, ISS, OSS, Saturday School, or Administrative detention at the discretion of the administration.

ADMINISTRATIVE DETENTION

1. Parents and students will be notified regarding the reason, assignment and scheduled date of detention.

10. Saturday School when assigned is 3 hours.
11. Failure to serve detention will result in Saturday Detention, Saturday School, ISS or OSS.

SOCIAL PROBATION

Extra-curricular activities are considered a privilege and not a right. Social Probation is the exclusion of students from extra-curricular activities and programs such as the junior/senior prom, school dances, sporting events, class activities, and the graduation ceremony based on discipline referrals.

The physical nature of a fight could include but is not limited to hitting, punching, slapping, poking, grabbing, pulling, tripping and kicking. A verbal altercation is an incident which involves one or several offenders who engage in verbal communication in which abusive, profane, obscene or threatening comments are made toward one or more than one. Verbal altercations of a threatening, profane or disruptive nature or instigation of a fight may result in discipline. Students should recognize that if a fight is in progress, it is the expectation of the district that as soon as an adult intervenes, the involved parties should immediately cease the altercation, if not sooner. Students not directly involved in the physical altercation should move to their assigned/scheduled location or other safe location as indicated by adults on the scene.

Should a student find himself or herself in a conflict outside of school that could escalate to the level of a fight in school, he or she (or his or her family) is expected to contact the high school administration immediately so that we can begin conflict mediation as soon as possible.

Students are discouraged from engaging in any physical altercations while in school. If a student physically attacks another student, and the victim of that attack does not retaliate, the aggressor will be disciplined for and charged with assault.

ELECTRONIC DEVICES

The Ambridge Area School District recognizes that the appropriate use of electronic devices can provide great potential for enhanced learning opportunities for all students. However, there are many other uses of electronic devices which can distract from the learning process or otherwise violate the rights of students or staff, thus the use of electronic devices for legitimate educational purposes is permitted, only under the direction of the classroom teacher with approval from the building administration and in accordance with Ambridge Area School District's Code of Conduct.

Electronic devices shall include all devices that can take photographs, record audio or video data; store, transmit or receive messages, data, or images; or provide a wireless, unfiltered connection to the Internet. Examples of the

electronic devices include, but shall not be limited to iPods, MP3 players, DVD players, handheld game consoles, personal digital assistants (PDAs), cellular phones, smart phones, laptops or other student-owned computers, radios, as well as any new technology developed with similar capabilities of data storage or transmission. The District is not liable for the loss, damage or misuse of an electronic device brought to school by student.

Appropriate use of electronic devices shall include any use of such devices for educational purposes, such as educational research which is specifically authorized by a classroom teacher with approval from the AASD Administrative Team. Any use of electronic devices that leads to disruption of the educational process or violates the rights of individual students is a violation of the AASD's Code of Conduct and will result in the appropriate disciplinary consequence, loss of privileges and confiscation of the electronic device. Inappropriate use of these devices includes, but are not limited to the following examples:

- Placing and/or receiving a call, text message, or other communication during instructional time (classroom instruction, study halls and gymnasiums).
- The use of electronic devices in locker rooms or rest rooms.
- Using any application on an electronic device which is not directly relevant to the instruction of the classroom and authorized by the classroom teacher.
- Taking, storing, dissemination, transferring, viewing or sharing of obscene, pornographic, lewd, inappropriate, unauthorized, or otherwise illegal images or photographs, whether by electronic data transfer or other means, including but not limited to texting and emailing.
- Using any electronic device for purposes which are in direct violation of other provisions within AASD's Code of Conduct, such as bullying, cyber-bullying, cheating or otherwise violating academic integrity, or harassing or intimidating students or staff members.

The District shall enforce these provisions of the AASD's Code of Conduct regarding electronic devices on school grounds, District-operated school busses and other conveyances, and during any District-sponsored activities, whether or not occurring on school grounds. Such prohibited activity shall also apply to student conduct that occurs off school property if the prohibited conduct is (a) directed at another student or students, is (b) severe, persistent, or pervasive, and (c) interferes with a student's education, creates a threatening environment, or substantially disrupts orderly operations of school. Such activities are in direct violation of the code of conduct and will result in violators being disciplined accordingly. For additional information concerning this use of electronic devices, please reference the Ambridge Area School District Code of Conduct.

Electronic devices are not permitted to be used in the classroom during the school day unless the classroom teacher gives the students permission to use the device for educational purposes or enhances learning opportunities. If the student is using an electronic device and were not given permission, the teacher will follow the steps that follow:

1st offense: Warning to put the phone in an assigned storage area in the class or off of the desk and into a backpack

2nd offense: The teacher will ask the student for the phone/device (the teacher will retain the phone/device until the end of the class period)

** If a student refuses to surrender the phone/device, the teacher shall write the student up and it will fall under insubordination and improper use of an electronic device. The principal will then confiscate the device for the rest of the school day. Any student that fails to relinquish their device will be assigned one day OSS for insubordination. These actions may impact the student's participation in future sporting events and/or school activities.

Repeat offender: If a student is repeatedly inappropriately using their electronic device, the Principal may confiscate it. If the item is confiscated by the Principal, it will be kept until arrangements have been made to turn the item over to a parent or guardian. If a student refuses to relinquish a banned item, they will be assigned a form of school discipline which can result in up to one (1) day of OSS for insubordination.

BULLYING, CYBERBULLYING, DISCRIMINATION, INTIMIDATION AND HARASSMENT

There is no place for bullying, cyberbullying, intimidating or discriminatory behavior within our school community. The District takes allegations seriously and acts quickly to investigate and resolve these matters when it is within its power to do so. Recipients of such behavior in school are encouraged to report it. Supports will be developed and implemented.

There will be no physical/verbal intimidation or racial/ethnic discrimination/harassment against any Ambridge Area High School student/teacher. Sexual harassment, bullying, and hazing are not permitted. Students who violate this

policy will be disciplined by the administration and may face legal charges. The violations include discrimination based on sex, gender identity, and sexual orientation. A copy of the policy is attached.

This policy shall apply to all employees, students, visitors, guests, and/or users of school district facilities.

For purposes of this policy, tobacco and vaping use shall be defined as the actual use of any tobacco product including lighted or unlighted cigars, cigarettes, vaping devices or pipes; any other lighted or unlighted smoking product or material, oils and products containing nicotine intended for consumption and/or other substances for use in vaping devices, including electronic smoking devices; fluids for vaping and smokeless tobacco in any form. Smoking electronic cigarettes and vaping devices regardless of whether or not they contain tobacco derivatives is also prohibited. Admissions of use, as well as direct evidence of use, will serve as a basis for discipline.

Vaping products that test positive for illegal drugs, including but not limited to THC, will be considered a drug under applicable drug and alcohol policies and not tobacco.

The administration will confiscate all tobacco products, vaping materials and matches, lighters and any other incendiary devices that students possess during school hours.

VANDALISM

Digital surveillance cameras are installed in the High School. They are monitored by both the Ambridge Police and high school administration. Students who willfully or carelessly damage school property will be assessed the cost of repair. As an integral part of the Ambridge Area School District Alcohol and Other Drugs Prevention Program, these guidelines represent one component in a district-wide effort to respond effectively to any health-endangering substances, which may include, drugs, mood-altering substances, and/or alcohol-related situations that may occur at school-sponsored activities. These guidelines are intended to provide a consistent disciplinary means to respond to any health-endangering substances, which may include drugs, mood-altering substances, and/or alcohol-related events.

A written parental excuse must be received by the school office upon return to school.**

3. A parent can only excuse ten (10) student absences during the school year. Absences beyond the tenth day require documentation, a parent note must be received by the attendance office within three (3) days of the student's return to school from an absence. A letter will be sent home after the 10th day of parental excuses, in which a medical excuse will be required for additional absences.

4. A written notice will be sent home for students following the 3rd, 7th, and 10th unexcused/illegal absences for the school year. (Keep in mind that any absence that isn't documented within three days after returning to school is considered unexcused/illegal).

2. Upon reaching 8 unexcused absences, the student and parent will be required to attend a Truancy Intervention meeting at the school with representatives from the Beaver County CYS TIP program, A truancy elimination plan (TEP) will be created at this meeting.
3. For any and all subsequent unexcused/illegal absences, students will be referred to the District Magistrate to pay fine(s)/fee(s) that increase for each subsequent referral.

ATTENDANCE RESPONSIBILITIES

1. Students are responsible for monitoring their rate of attendance and keeping track of their number of absences from each course.
2. Students must carefully review the reasons for excused absences listed in this policy.
3. Students are responsible for bringing all documentation for excused absences to the Attendance Office. State law mandates that all absences will be considered unexcused unless proper documentation is provided within 3 days.
4. Students must arrive to each class promptly. Any unexcused tardy to class after 10 minutes is equivalent to 1 period unexcused absence.
5. Students (including those 18 years and older) are NOT permitted to sign themselves out of school without parental or administrative permission that must be registered with the attendance secretary. Early release minutes and tardy minutes are also tabulated into absentee minutes and applies to the student attendance record.

ATTENDANCE POLICY AND PROCEDURES

The purpose of this policy and its associated guidelines are intended to promote regular school attendance and to facilitate the academic, social, emotional, and physical development of students.

COMPULSORY SCHOOL ATTENDANCE LAW:

The compulsory school attendance law of the Commonwealth of Pennsylvania (24 PS 13-1327) requires every child of compulsory school age to be in school attendance, unless absent for an approved reason, and charges the parents/guardian of the child with the responsibility for the child's school attendance. The Every Child Succeeds Act of 2015 federal law indicates a 94% attendance rate as the benchmark for academic success. The attendance rate at the elementary and the attendance/graduation rate at the secondary level are used to determine **Annual Yearly Progress**. **In order to be in compliance with the Every Child Succeeds Act of 2015, any student missing 10 or more unexcused days (independently or combined) will be subject to a citation. As a result of a magistrate's ruling, fines could be levied and/or driver's license suspended.** Attendance is compulsory from the federal level down to the state level with local districts being held accountable by enforcing attendance policies.

1. When students arrive in the morning, they are to go straight to their lockers, and then to their period one class for attendance and morning announcements.
2. The tardy bell rings at 7:30 a.m. Any student not present in period one at that time is either tardy or absent.
3. Late sign-in will be conducted at the front security/scan desk as students enter the building.

4. 7:25-7:30 will be considered homeroom, 7:31 will begin period one (students not in a seat at 7:31 will be marked late to school and late for period one).
5. Keystone Rewards are PM only
6. Students who arrive to school late must sign in at the Security Office. Failure to do so will result in suspension and/or other appropriate disciplinary action.
7. Students who arrive late, but before 11:00 a.m. will be considered tardy. Students arriving between 11:00 a.m. and 12:00 p.m. will be marked half-day absent. Students arriving past 12:00 p.m. will be considered absent for the full day. (Times apply to a regular, full day and will be adjusted for modified days.)
8. No student is to leave the building at any time without authorization from building administration. Violators will be suspended.
9. The Attendance Office will attempt to call student's parents if the absence is questionable or call the doctor's office to verify medical excuses if necessary. Whenever possible, parents or a legal guardian (not students) should call in the morning when a student will be absent.
10. Every effort should be made to schedule medical or dental appointments during non-school hours. If appointments must be made during school hours, the student must present a signed parental note (with phone number of where parents can be reached) prior to being excused.
11. All classes that are missed due to an unexcused tardy or early release are considered unexcused until documentation is given to the attendance secretary. These unexcused class absences definitely count toward the maximum number of absences as applied to our attendance policy.
12. Students are responsible for all class work missed due to an appointment.
13. Any student arriving late or leaving early, who does not sign in or out, respectively, will be suspended.
14. If not present during the school day you are prohibited from participating in any after school activities.

REASONS FOR ABSENCE OR TARDINESS

Ambridge Area High School believes that attendance and timeliness are valuable contributors to academic and future success for our students. Students are held to the standard to be in class on time every day unless they have a legal excuse or extenuating circumstance.

Students are able to accrue 10 excused tardiness and 10 early releases for the whole year. An excused tardy is defined as a lateness to school that is accompanied by a call from a parent, written excuse, or email that explains the legal reason that the student is late.

Students are only permitted to leave early (denoted as early release) with parent permission. For any number of tardiness or early excuses above 10, a medical excuse will need to be provided or a parent will need to meet with the attendance staff and administration to discuss a special circumstance that warrants the time missed from academics.

Legal reasons for absence include illness, a death in the family, medical treatment or the like. If a student is to be dismissed early from school, a note should be brought to the Attendance Office the morning of the appointment. All documented excuses, in order to be excused or legal, must be submitted to the Attendance Office within three (3) days of any absence.

Each subsequent offense will result in an assigned Saturday school detention, potential on going social probation, and other consequences as determined by administrative review.

Failure to serve detentions or consequences assigned for tardiness may result in additionally assigned consequences as determined by the Principal.

In addition to the abovementioned consequences, every accrued 360 minutes of absence due to tardiness or early release will be counted as one day or truancy, which can be combined with attendance to result in consequences at the magisterial level.

MAKE-UP WORK

Students or parents may request make-up work when a student will be absent for an extended period of time. Requests should be made through the Main Office. A reasonable time to complete work will be given to the student. A failing grade on each assignment will result for work not completed to the teacher's specification within that reasonable time period.

Students who are legally absent, who have been excused from class shall be given the opportunity to make up any and all tests.

ACT 29 (TRUANCY)

Pennsylvania legislation, Act 29, raises to \$750 the fine for truancy placed on parents and requires them to pay court costs or be sentenced to complete a parenting education program. Both the truant child and parents must appear at a hearing by the district justice. If the parents show that they took reasonable steps to ensure the attendance of the child, they may or may not be convicted of a summary offense. If the parents are not convicted and the child continues to be truant, the child can be fined up to \$750 or be assigned to an adjudication alternative program. The law also grants school attendance officers and home and school visitors arrest powers.

Act 29 also removes from truant juveniles their driving privileges for 90 days for a first offense and six months for a second, while juveniles who are unlicensed are prohibited from applying for a learner's permit for 90 days (first offense) or six months (second offense) after their 16th birthday.

COLLECTION OF FINANCIAL OBLIGATIONS

The High School believes that the school should help students learn to respect property and develop feelings of pride in community institutions. The school issues books needed for particular courses of study, a locker for books, extra articles of clothing (sports and JROTC uniforms), a locker for physical education clothing, etc.

It is the student's duty to take care of all these loaned items. Any destruction, accidental or intentional, must be paid for. Students will pay for items that are damaged at the High School Office. The secretary will give the student a receipt. Failure to pay debts yearly can result in removal from participating in all school activities including Prom, Commencement and the Mistletoe. Additionally, a student may not be able to receive a work permit, or student parking permit.

FIRE, TORNADO & EVACUATION DRILLS

Fire drills occur twice during the first week of school and once a month thereafter. If, during a class, students hear the fire alarm bell, they are to wait for the teacher's instructions regarding the fire exit door and the direction, and then proceed to the nearest exit and leave the building quickly and quietly. Fire exit signs are found above the doors or on the bulletin boards in each room. Students should remain with their class at all times. When the bells sound again, proceed back inside to class quietly and quickly.

In the event of an evacuation drill students may be removed from the school and taken to the field house, stadium, area churches or other facilities for their protection. Students are required to cooperate in this manner while attendance and student dismissal takes place.

OBJECTIONABLE MATERIAL APPEALS

In the event that objectionable material (i.e. animal dissection, literature with sexual innuendo, etc.) is presented in class, a non-objectionable option must be offered upon student request.

WORK PERMITS

Applications for work permits are available in the high school office during regular hours. Students must present proof of age in the form of a birth certificate or driver's license when applying. Receipt and maintenance of a work permit is contingent upon a review of the student's discipline record, attendance record, academic record and financial obligations. Please contact the Front High School Office for the application process and information at 724-266-2833, ext. 2335.

ON THE JOB TRAINING (OJT) / TRANSITION

1. All OJT students must leave the building at their scheduled release times and sign-out on the transition sheet in the main office.
2. If you get fired from work you risk the chance of failing the marketing program for the entire year.
3. Monthly work schedules must be completed each month.
4. OJT students must serve detention in the morning.
5. Employers must be notified that you are in OJT and the times that you are released from school to start work.
6. You must maintain a "C" average to remain in the program.
7. You must have a job at all times. If you are changing jobs, you have two weeks to obtain a new one.
8. If you are failing based on attendance, you will be removed from OJT and given a full day schedule.
9. Leaving early without permission or remaining in the building beyond your scheduled release time may result in being dropped from the program.
10. Students must have completed Marketing I and Marketing II to enroll in the OJT program. It is recommended to set up an appointment with the Transition Coordinator to discuss OJT planning.

PARKING PERMITS

Student parking is available by permit only. During the first two weeks of school, parking permit applications will be distributed to interested students. The cost of the student parking permit is \$25.00 (non-refundable) for the school year. In order to be eligible for a student parking permit, the student must remain in good academic and disciplinary standing. Students who become habitual disciplinary offenders or with just cause as determined by the Principal may have their parking permit revoked on a temporary or permanent basis. Any unpaid fines, truancy or tardiness issues will also impact your ability to obtain/maintain your parking permit. Students are not permitted to park in the main parking lot. Please call 724-266-2833, ext. 2296 for further information in regards to parking permits.

STUDENT SEARCHES

Searches of students and their personal belongings is occasionally necessary to ensure the safety of the student and others. Searches are governed by Board Policy 226. Students are required to submit to legal searches consistent with the policy. Failure to do so may result in discipline under the Code of Conduct and collaboration with law enforcement, if necessary.

NURSES OFFICE

- Passes to the health suite must be obtained from the student's subject teacher.
- Students are not permitted to report to the nurse's office between classes unless there is an absolute emergency.
- Any medication to be administered during the school day should be taken to the nurse's office upon arriving to school. *Medications must be in containers with patient's name or as dispensed by the pharmacy as indicated. If over the counter, a note from a parent/guardian must accompany the product and be in the OCT manufacturer's container.*
- Students are not to call home to be excused because of an illness. The nurse and the administration are the only individuals authorized to send sick students home.

MEDICATION POLICY

Ideally, all medication should be given at home. It is also recognized that at the present time many students are able to attend regular school because of the effectiveness of medication in the treatment of chronic disabilities and illnesses. However, any student who is required to take medication during the regular school day must comply with school regulations. Please contact the school nurses office at the High School at 724-266-283, ext. 2443 for further additional questions. These regulations include the following:

2. Parental or guardian written request that medication be administered as prescribed in the physician's statement.
3. All medication must be in protective containers that are properly labelled by the physician or pharmacy.

II. NON-PRESCRIPTIVE MEDICATIONS

A. Non-prescriptive drugs and medication may be administered by school nurses, principal or principal designee only after the following conditions are met:

1. Receipt of written request or authorization from the parent or guardian.
2. Included in the request must be the name of the student, name of the medication, dosage and frequency along with the reason for which it is to be administered.
3. All medication must be in a protective container that is properly labelled.

III. ALL MEDICATION

A. For any medication to be dispensed with the district the following guide-lines must be met:

1. Any medication to be administered during the school day must be taken to the nurse's office (or main office) as soon as the student arrives at school. Students are not permitted to carry pills or any other medication during school hours, with the exception of inhalers for asthma, which may be carried by the student with written permission from parent/guardian.

AMBRIDGE AREA SCHOOL DISTRICT

Responsible Use Policy

The Ambridge Area School District recognizes technology is an essential instructional tool to help all students develop into critical thinkers who use data, innovation, and creativity in order to become skilled problem solvers and learners in the 21st century. With this educational opportunity comes responsibility. All users of AASD devices and networks are expected to abide by this agreement. This Responsible Use Policy shall be enforced in conjunction with *School Board Policy 815: Responsible Computer, Telecommunications, and Information Technology Use* and other relevant Board Policies, the Student Handbook and other official District directives.

- The Internet and computer technology will not be used for illegal activity, for profit purposes, non-school related activities, lobbying, advertising, to transmit offensive materials, hate mail, discriminating remarks, to obtain obscene or pornographic material, or material harmful to minors.
- Users shall not intentionally seek information, obtain copies of, or modify files, other data, or passwords belonging to other users, or misrepresent other users on the network.
- Use of school technology or Internet for fraudulent or illegal copying, communication, taking or modification of material in violation of the law is prohibited and will be referred to appropriate authorities.
- Loading or use of unauthorized games, programs, files or other electronic media is prohibited.

- All users will be respectful in their postings and edits. No inappropriate language, personal insults, profanity, spam, racist, sexist or discriminatory remarks, or threatening comments will be tolerated.
- No student may edit or delete the work of another student without teacher permission.
- No student will reveal their home address or personal phone number, (or the addresses or phone numbers of other students), or any other personal information/images in any email correspondence, in other electronic communication or in any files that are shared with anyone outside of the school community.
- All students will receive a username and password to be used only by the student. If any user suspects that a password has been compromised, he/she must notify the technology department immediately.
- All use of these Internet resources must be in accordance with the school's Acceptable Use Policy, including entries made from computers outside of school.

STUDENT PERSONAL DEVICES

- Ambridge Area School District assumes no responsibility for configuration, installation of software, or support of personal devices.
- Ambridge Area School District assumes no responsibility for lost, damaged or stolen devices. Students use their personal devices at their own risk.

- Ambridge Area School District assumes no responsibility for content viewed or accessed by students who “tether” their personal device and use their personal cellular data network or District internet access inappropriately.

DISTRICT ISSUED STUDENT DEVICES

- District iPads will be provided to students for grades Kindergarten through five. District laptops will be provided to students in grades six through twelve. This District device is designed to be the student’s personal learning device. As is the case with all technology used at or owned by Ambridge Area, students are governed under the rules and regulations covered in Ambridge Area’s Board Approved Responsible Use Policy #815, other Board policies, the Student Handbook and other official District directives.
- Parents and/or Guardians and Students are required to sign a Student Device Agreement prior to receiving their district issued device. Device terms are outlined in the Device User Agreement document.
- Inappropriate use of a District issued laptop or iPad could result in disciplinary action. In addition to the Responsible Use policy, the following guidelines also apply:
 - Students may configure additional personal email accounts on the device, but email content resides on the device and will be subject to these rules and regulations.
 - Mobile device management software and profiles may not be removed from the device.
 - "Jailbreaking" the device results in the loss of the Apple warranty and is a violation of the terms of use. Using a jail-broken device on the Ambridge Area network is prohibited.
 - It is expected that students will have their laptop or iPad available each day for class, and that it is charged at home daily.
 - Laptops and iPads are to be returned as received, except normal wear and tear as determined by the District, when a student withdraws from the District or when requested by any school District official.
 - Administration reserves the right to access and review student computer/iPad use, the District devices and/or internet and technology use at any time. Students have no privacy interest in District provided technology devices or their use of District technology.
 - The Ambridge Area School District *Responsible Computer, Telecommunications, and Information Technology Use School Board Policy #815* applies to all students and staff using laptop computers and iPads, regardless of location.
 - The assignment and use of a laptop computer is considered to be a privilege. Inappropriate use or neglect of a laptop, iPad, charger, the Internet and/or any installed software could result in the loss of laptop or iPad privileges. Loss of privileges will not change classroom expectations and/or assignment completion.
 - District issued device repair and replacement costs are covered under the *Student Device User Agreement*.
 - All equipment must be returned or made available to AASD upon the student’s separation from AASD, either by graduation, withdrawal, or at the request of AASD Administration.
 - *All equipment must be returned in good working condition* (i.e. no cracked screens, broken glass, missing charger or charger cable). If the iPad is damaged, the student and his/her parent or guardian will be charged the repair fee.
 - Lost devices are the responsibility of the student. If an iPad is lost, the student and his/her parent or guardian will be charged the replacement cost.
 - Replacement cost for stolen iPads or laptops will be dealt with on a case by case basis. No stolen iPad or laptop will be replaced without a copy of a police report.
 - Find my iPad must be enabled on all student iPads. If a student disables Find my iPad and the iPad is lost or stolen, the replacement cost for the parents will be the full cost of a new iPad.
 - Any other directive communicated by the District to students and their parents/guardians must be followed.

DATA BACKUP

Students are responsible for maintaining a backup of all data on the laptop or iPad, either by using your District Office 365 account or another means such as a flash drive. Ambridge Area School District is not responsible for data loss in the event of a device failure or malfunction.

OFFICE 365 STUDENT ACCOUNT INFORMATION

Ambridge Area School District has purchased Office 365 for all students in Grades K-12 to allow for collaboration using our custom implementation of Office 365. These accounts are for school district curriculum and instruction. The rules governing proper electronic communications by students are included in our Responsible Use Policy in conjunction with School Board Policy #815 and may be amended from time to time. The primary purpose of Office 365 is for students to have access to Office applications from any device with a connection to the internet. The Office 365 suite is cloud-based and accessible from anywhere. Students will use Office 365 to communicate with staff, send and receive emails, access school assignments, collaborate with fellow students on school activities and store files in OneDrive. Students may attend school virtually and engage in synchronous learning opportunities with educators and classmates using Teams. Collectively, these are referred to as the "Office 365 Apps."

Students have access to the current desktop Microsoft Office suite on a maximum of five personal computers and five mobile devices. Students have access to 1TB of cloud storage that will allow access to files both at home and at school. Account usernames and passwords will be provided to parents upon request so parents may monitor the account. Use of the school's Office 365 program is a privilege, and may be revoked at any time for misuse. Official student email addresses will be assigned. This account is considered the student's official AASD email address until such time as the student is no longer enrolled at AASD. This is the same username and password that the students use to log in to the network at school followed by @ambridgearea.org. For example, 26jasmith68@ambridgearea.org. All students should already know their usernames and passwords. If they do not, they should contact their homeroom teacher or the technology department.

Administration reserves the right to access and review student content in Office 365 at any time and to update or to change its technology offerings. AASD complies with all state and federal privacy laws. As with any educational endeavor, we feel that a strong partnership with families is essential to a successful experience.

SUPERVISION AND MONITORING

AASD administrators and their authorized employees monitor all information technology resources to ensure that student utilization is secure and conforms to this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks or on District devices in order to further the health, safety, discipline, and/or security of any student or other person, or to protect property. They may also use this information in disciplinary actions and will furnish evidence of crime to school officials and law enforcement. Teachers will make every reasonable effort to monitor conduct in order to maintain a positive learning community. All users will respect each other's time and efforts by supporting the same positive approach.

For the protection of students, filtering of content, monitoring of the network, and protection of information will be conducted in accordance with Act 197 (Pennsylvania House Bill 2262), The Children's Internet Protection Act. Despite every effort for supervision and filtering, all users and their parents/guardians are advised that access to the Internet may include the potential for access to inappropriate materials for school-aged students. Every user must take responsibility for his or her use of the network and avoid these sites.

CONSEQUENCES FOR VIOLATIONS

Failure to comply with district Acceptable Use Policies may result in disciplinary action by faculty and/or administration including the loss of use of the school's information technology resources and possible referral to law enforcement agencies.

Additional Website Posting Requirements: School Code section 510.2 also specifies requirements for policies, rules and regulations that must be published on the school district's publicly accessible Internet website. Click [here](#) for a listing of those posting requirements.

Numerous federal laws require school districts to provide students, parents, and/or the public with notices, many of which must be provided at the beginning of the school year. Federal agencies or other entities oftentimes create “model” notices (or provided information useful to creating notices) that can easily be tailored to meet individual district needs. In this document are some of the notices required by federal law, including the methods required to give notice where it is specified in the statutes and/or regulations. Where available, links to model notices or guidance documents that may be of assistance in writing such notices are provided. Not included are employment-related notices required by federal or state law.

Every Student Succeeds Act

The Every Student Succeeds Act of 2015 (ESSA), requires state education agencies, school districts, and individual schools to provide numerous notices to parents, the public, and others. ESSA reauthorizes the Elementary and Secondary Education Act (ESEA), the nation’s national education law and longstanding commitment to equal opportunity for all students. Several ESSA provisions are summarized in the U.S. Department of Education’s *Transitioning to the Every Student Succeeds Act Frequently Asked Questions* (January 2017), which also has information about ESSA notice requirements that differ from those under No Child Left Behind Act (NCLB).

ESSA requires that states and school districts engage families and parents in the work of ensuring positive outcomes for all students. School districts that receive Title I funds must have written family and parent engagement policies with expectations and objectives for implementing meaningful family and parent involvement strategies. They are required to involve family members and parents in developing district plans and to provide technical assistance to schools on planning and implementing effective family and parent involvement activities to improve student academic achievement and school performance. ESSA requires all school districts that receive Title I funds to implement an effective means of outreach to parents of English learners and hold regular meetings for those parents. See the U.S. Department of Education’s *Policy Statement on Family Engagement* for more information. Also, see the Department’s guidance on *ESSA Assessments under Title I, Part A and Title I, Part B: Summary of Final Regulations* and *chart*, which compares drafted guidance with relevant prior guidance on Title I.

Under ESSA, SEAs and LEAs that receive Title I funds must publish state and local report cards on their websites that are concise and in an accessible format. ESSA makes Title I funds accessible to private schools and the Department of Education has provided non-regulatory guidance on this topic. See the non-regulatory

guidance here: *Title I, Part A of the Elementary and Secondary Education Act of 1965, as Amended by the Every Student Succeeds Act: Providing Equitable Services to Eligible Private School Children, Teachers, and Families* (October 7, 2019). For additional guidance, see also the U.S. Department of Education's *Crosswalk Between Draft Title I, Part A Guidance on Equitable Services and Prior Non-Regulatory* (March 28, 2019) and *Dear colleague letter on state plan amendments, school identification, reporting, and technical assistance* (October 24, 2019).

The supplement-not-supplant requirement under Title I changed under ESSA, but the U.S. Department of Education has not issued draft regulations. Instead, in 2019 the Department provided a *Title I, Part A supplement non supplant non-regulatory informational document* along with a *summary response to comments on the informational document*.

Family Educational Rights and Privacy Act

Pursuant to the Family Educational Rights and Privacy Act (FERPA), school districts must provide parents/guardians and eligible students (students at least 18 years of age) with annual notice of their rights to inspect and review education records, amend education records, consent to disclose personally identifiable information in education records, and file a complaint with the U.S. Department of Education. 34 C.F.R. § 99.7(a)(2). The notice must include the procedure to request and review education records, as well as a statement that records may be disclosed to school officials without prior written consent. This statement should define a school official and what constitutes a legitimate educational interest providing the basis for accessing a student's educational records. 34 C.F.R. § 99.7(a)(3). Notice may be provided in any way that is reasonably likely to inform parents of their rights, and must effectively notify parents who have a primary or home language other than English and parents/guardians or eligible students who are disabled. 34 C.F.R. § 99.7(b). The annual notification may be published by various means, including any of the following: in a schedule of classes; in a student handbook; in a calendar of school events; on the school's website (though this should not be the exclusive means of notification); in the student newspaper; and/or posted in a central location at the school or various locations throughout the school. See the Department of Education's Protecting Student Privacy *FERPA General Guidance for Students* (April 2020) for information about FERPA. For an additional resource also see the *FERPA Model Notification of Rights for Elementary & Secondary Schools* (April 2020).

Under FERPA, school districts may disclose directory information if they have given public notice to parents/guardians and eligible students of what information has been designated as directory information, and when and how parents/guardians and eligible students may opt out of allowing the district to disclose their directory information. 34 C.F.R. § 99.37(a). Finally, under ESEA, school districts must provide notice that they routinely release the names, addresses, and phone numbers of secondary students to military recruiters unless parents opt out in writing. 20 U.S.C. § 7908. School districts may provide this notice as part of their general FERPA notice. The Protecting Student Privacy website provides a template notice for notifying parents and eligible students, which can be found here: *FERPA Model Notice for Directory Information*.

FERPA regulations permit LEAs and schools to adopt limited directory information policies that allow the disclosure of directory information to specific parties, for specific purposes, or both. 34 C.F.R. § 99.37(d). It is up to individual LEAs and schools to decide whether to adopt limited directory information policies and how to implement them.

The regulations' directory information exception makes clear that parents/guardians and eligible students may not, by opting out of the disclosure of directory information, prevent an LEA or school from requiring a student to wear or present a student ID or badge. 34 C.F.R. § 99.37(c). While the Department does not require LEAs or schools to establish policies mandating that students wear badges, these are individual decisions that LEAs and schools should make, considering local circumstances.

The U.S. Department of Education recommends that districts post all FERPA and PPRA (see below) notices, including the directory information policy, on their websites. For more information, see the U.S. Department of Education's Privacy Technical Assistance Center's *Transparency Best Practices for Schools and Districts* (p. 5). Protection of Pupil Rights Amendment

The Protection of Pupil Rights Amendment (PPRA) requires school districts to adopt several policies regarding surveys of students, instructional materials, physical examinations, personal information used for marketing, and the like. Parents must be notified of these policies at least annually at the beginning of the school year and within a reasonable time period after any substantial change to the policies. 20 U.S.C. § 1232h(c)(2)(A). The Department of Education’s Protecting Student Privacy provides a PPRA Model General Notice of Rights and a PPRA Model Notice and Consent/Opt-Out for Specific Activities on its website.

If a district plans to (1) use students’ personal information for selling or marketing purposes; (2) administer any survey about any of the eight topics listed in the statute (political beliefs, income, sex behavior or attitudes, etc.); or (3) administer certain non-emergency, invasive physical examinations, the district must directly notify parents at least annually at the beginning of the school year of the specific or approximate dates when these activities are scheduled or expected to be scheduled. 20 U.S.C. § 1232h(c)(2)(B), (c)(2)(C).

The Department of Education’s Protecting Student Privacy lists policies that PPRA requires LEAs to develop, with the consultation of parents. These policies concern privacy, parental access to information, and administration of physical examinations of minors. NOTE: This document also contains resources regarding FERPA and remote learning due to COVID-19.

The Department of Education’s Protecting Student Privacy provides all FERPA and PPRA model notices at: <https://studentprivacy.ed.gov/annual-notice>.

Child Nutrition Programs

If school districts participate in the National School Lunch Program, the School Breakfast Program, or the Special Milk Program, they must provide both parents and the public with information about free and reduced-price meals and/or free milk near the beginning of each school year. 7 C.F.R. § 245.5. Districts also must provide parents with an application form. Districts may not disclose children’s free and reduced eligibility status, unless the requestor of such information falls into one of the categories specified in the National School Lunch Act. 42 U.S.C. § 1758(b)(6)(A)(i)-(v).

The USDA’s Eligibility Manual for School Meals contains information on federal requirements regarding the determination and verification of eligibility for free and reduced-price meals in the National School Lunch Program and the School Breakfast Program. The document notes what the application for these programs is to contain and includes a link to an online application. The document also describes to whom (pp. 83-84), and under what conditions information regarding free and reduced eligibility status may be disclosed (pp. 83-93).

Striving to reduce paperwork, Congress incorporated three alternative provisions into the standard requirements for annual determinations of eligibility for free and reduced-price school meals. Additionally, in schools where at least 80 percent of enrolled students have free or reduced-price meal eligibility, annual notification of program availability and certification only needs to occur once every 2 consecutive school years.

The 2016 amendment to the Healthy, Hunger-Free Kids Act of 2010 requires school districts to inform and update the public (including parents, students, and others in the community) about the content and implementation of their local school wellness policies. 42 U.S.C. § 1758b(b)(4). School districts also must periodically measure and report on implementation of their local school wellness policies, including: (1) the extent to which schools under the jurisdiction of the local school district are in compliance with its local school wellness policy; (2) the extent to which the local school wellness policy of the local district compares to model local school wellness policies; and (3) the progress made in attaining the goals of the local school wellness

policy. 42 U.S.C. § 1758b(b)(5)(A). The USDA final rules for local school wellness policies, which became effective on August 29, 2016, appear at 7 CFR Parts 210 and 220. See the USDA's Local School Wellness Policy for other child nutrition-related information.

The USDA published a guide on July 25, 2017 that highlights requirements for accommodating children with disabilities who participate in School Meal Programs. With the help of school food service staff, LEAs must implement procedures to enable parents and guardians to request modifications to meal services for their children with disabilities. 7 C.F.R. §§ 15b.25, 15b.6 (b). LEAs must notify parents and guardians of both the process (1) to request meal modifications that accommodate the child's needs; and (2) for resolving disputes. The hearing process must follow the necessary procedural requirements: notice, right to counsel, opportunity to participate, and examination of the record.

According to the Local School Wellness Policy: Guidance and Q&As (2017), the USDA does not require a specific timeline for updates to a wellness policy. Ideally, however, the policy should be updated after conducting a triennial assessment. 7 C.F.R. § 210.31(e)(3). **NOTE:** The Food and Nutrition Service established a nationwide waiver to support schools unable to complete a triennial assessment of the local school wellness policies due to school closures. The updates are dependent on the structure of the LEA's policy. An LEA must notify the public about the content of its policy annually and discuss any updates. 7 C.F.R. § 210.31(d)(2). It also must inform the public about the progress made towards meeting the goals of the local school wellness policy. 7 C.F.R. § 210.31(d)(3).

NOTE: Due to the COVID-19 pandemic, USDA is granting states significant program flexibilities and contingencies to best serve program participants across their 15 nutrition programs. View the Food and Nutrition Services of the USDA's Response to COVID-19 website for more information.

Asbestos Hazard Emergency Response Act

The Asbestos Hazard Emergency Response Act (AHERA) requires school districts to inspect their buildings for asbestos-containing building materials, and develop, maintain, and update an asbestos management plan. School districts must annually notify parents, teachers, and employee organizations in writing of the availability of the management plan and planned or in-progress inspections, reinspections, response actions, and post-response actions, including periodic re-inspection and surveillance activities. 40 C.F.R. §§ 763.84(c), (f), 763.93(g)(2).

McKinney-Vento Homeless Assistance Act

The McKinney-Vento Homeless Assistance Act requires school districts, through their homeless student liaisons, to provide public notice of the education rights of the homeless students enrolled in their districts. 42 U.S.C. § 11432(e)(3)(C)(i). Such notice is to be disseminated in places where homeless students receive services under this Act, including schools, family shelters, and soup kitchens. 42 U.S.C. § 11432 (g)(6)(A)(vi). The notice must be in a "manner and form" understandable to homeless students and their parents/guardians, "including, if necessary and to the extent feasible," in their native language. 42 U.S.C. § 11432(e)(3)(C)(iii).

The U.S. Department of Education has issued guidelines for states, which address ways a state may (1) assist LEAs to implement McKinney-Vento, as amended by ESSA, and (2) review and revise policies and procedures, along with LEAs, that may present barriers to the identification, enrollment, attendance, and success of homeless children and youths in school.

In March 2017, the U.S. Department of Education updated the *Education for Homeless Children and Youths Program Non-Regulatory Guidance*. This document highlights the key changes brought about by ESSA. For notice requirements under “tips for establishing an effective dispute resolution process”, see page 33.

Additional resources available from the U.S. Department of Education include: *Dear Colleague Letter: educational rights of homeless children and youths* and guidance on *Supporting the Success of Homeless Children and Youths*. Also, the National Center for Homeless Education (funded by the U.S. Department of Education) has created free *Educational Rights posters* (in black/white or color; English/Spanish; parents/students).

NOTE: Due to the COVID-19 pandemic, districts may request *flexibility waivers* from the Department of Education.

Title VI, Title IX, Section 504, the Age Discrimination Act, Title II of the Americans with Disabilities Act, and the Boy Scouts of America Equal Access Act

Several federal statutes protect the rights of beneficiaries not to be discriminated against in programs or activities receiving federal and/or state financial assistance. Specifically, the following statutes prohibit discrimination: Title VI, 34 C.F.R. § 100.6(d) (race, color, ethnicity, and national origin); Title IX, 34 C.F.R. § 106.9 (sex and pregnancy); Section 504, 34 C.F.R. § 104.8 and Title II, 28 C.F.R. § 35.106 of the Americans with Disabilities Act (disability); and the Age Discrimination Act, 34 C.F.R. § 110.25 (age). The Boy Scouts of America Equal Access Act, 34 C.F.R. § 108.9 requires public schools to provide equal access to the use of school property to the Boy Scouts and other designated youth groups.

The regulations implementing the above statutes require school districts to notify students, parents, and others that they do not discriminate on the basis of race, color, ethnicity, national origin, sex, pregnancy, disability, or age, and that they provide equal access to the Boy Scouts and other designated youth groups. The regulations contain minor differences relating to the required content of the notices and the methods used to publish them.

The U.S. Department of Education’s *Notice of Non-Discrimination* describes the content requirements of notices under these statutes, including the methods of notification required by Title IX and Section 504, and contains a sample notice of non-discrimination school districts may use to meet the requirements of all of the above statutes. **NOTE:** The notice must include the name or title and contact information of the coordinators designated to handle complaints under Title IX (34 C.F.R. § 106.8), Section 504 (34 C.F.R. § 104.8), the Americans with Disabilities Act (28 C.F.R. § 35.107), and the Age Discrimination Act (34 C.F.R. § 110.25).

Pursuant to new Title IX regulations effective August 14, 2020, instead of notifying only students and employees of the Title IX Coordinator’s contact information, schools must also notify applicants for admission and employment, parents or legal guardians of elementary and secondary school students, and all unions of the name or title, office address, e-mail address, and telephone number of the Title IX Coordinator. Additionally, schools must prominently display the required contact information for the Title IX Coordinator on their websites.

Individuals with Disabilities Education Act

Under the Individuals with Disabilities Education Act (IDEA), a school district must give parents of a child with a disability a copy of its procedural safeguards one time per year, and upon initial referral or parental request for an evaluation, the filing of a first request for a due process hearing, a disciplinary action constituting a change in placement, and at the request of a parent. 20 U.S.C. § 1415(d)(1)(a); 34 C.F.R. § 300.504(a). The notice must fully explain the IDEA’s procedural safeguards in an easily understandable manner, and in the native language of the parents unless it is clearly not feasible to do so. 20 U.S.C. § 1415(d)(2); 34 C.F.R. § 300.504(c), (d). Parents may choose to receive the procedural safeguards notice and other notices under the IDEA by email, if the LEA makes this option available. 20 U.S.C. § 1415(n); 34 C.F.R. § 300.505.

The U.S. Department of Education’s *Model Form: Procedural Safeguards Notice* provides guidance on required content of forms under the IDEA. **NOTE:** The procedural safeguards notice requirements in the IDEA also apply to parents of homeless children with disabilities. For more information, see Question B-2 in *Questions and Answers on Special Education and Homelessness* by the Office of Special Education and Rehabilitative Services and the Office of Elementary and Secondary Education.

The U.S. Department of Education analyzed when and how parents must be notified before “records containing personally identifiable information are destroyed under Part B of IDEA.” The question considered was whether “under 34 C.F.R. § 300.624, a school district must specifically notify parents at the time the district intends to destroy [a student's] records or whether such notice must be provided at the time the records are no longer needed.” The Department provides a *letter* that states under the IDEA, parents must be informed when the personally identifiable information is no longer needed to provide services. **NOTE:** The Department also addresses inquiries concerning the implementation of *IDEA Part B procedural safeguards in the current COVID-19 environment* in guidance released June 30, 2020.

Policies Required By Federal Law August 2020
