

SCHOLARSHIP PROGRAM

TECH EXCELLENCE SCHOLARSHIP - \$15,000

The Tech Excellence Scholarship is awarded annually to one qualified applicant who is a high school senior and plans on pursuing a career in the Automotive or Collision Repair industry upon graduation from Rosedale Technical College.

CONTINUING THE DRIVE SCHOLARSHIP - \$15,000

The Continuing the Drive Scholarship is awarded annually to one qualified applicant who is a high school senior and plans on pursuing a career in the Automotive or Collision Repair industry upon graduation from Rosedale Technical College. The applicant must have attended a CTC or Vocational Tech school for Automotive or Collision Repair.

Criteria for the Tech Excellence and Continuing the Drive Scholarships:

- A completed application to Rosedale Technical College with a minimum of conditional acceptance to the school
- Proof of valid driver's license
- Completed scholarship application
- Essay or video explaining why applicant wants to pursue a career in the automotive or collision repair field, what work ethic means to them, and why they deserve the scholarship
- Proof that applicant is a high school senior
- Letter of recommendation from an educator, coach, employer or religious leader
- Complete an interview with a member of #1 Cochran's team

In order to continue receiving the scholarship disbursements, the recipient must maintain a 2.5 GPA for the first semester and a 3.0 for each subsequent semester with a 90% attendance record. Additional conditions may apply.

BREAKING BARRIERS SCHOLARSHIP - \$10,000

The Breaking Barriers Scholarship is awarded annually to one qualified non-traditional applicant who plans on pursuing a career in the Automotive or Collision Repair industry upon graduation from Rosedale Technical College.

Criteria for the Breaking Barriers Scholarship:

- A completed application to Rosedale Technical College with a minimum of conditional acceptance to the school
- Proof of valid driver's license
- Completed scholarship application
- Essay or video explaining why applicant wants to pursue a career in the automotive or collision repair field, and how he/she thinks they can positively impact their family and/or the community by pursuing a career in the Automotive or Collision Repair industry
- Proof that applicant is a high school senior, or has graduated high school
- Letter of recommendation from an educator, coach, employer or religious leader
- Complete an interview with a member of #1 Cochran's team

In order to continue receiving the scholarship disbursements, the recipient must maintain a 2.5 GPA for the first semester and a 3.0 for each subsequent semester with a 90% attendance record. Additional conditions may apply.

MAKING THE TRADES POSSIBLE SCHOLARSHIP - \$10,000

The Making the Trades Possible Scholarship is a need based scholarship awarded annually to one qualified applicant who would otherwise not have the opportunity to attend school at Rosedale Technical College.

Criteria:

- Student must demonstrate financial need through their FAFSA application and a completed financial aid plan
- A completed application to Rosedale Technical College with a minimum of conditional acceptance to the school
- Proof of valid driver's license
- Completed scholarship application
- Essay or video explaining why applicant wants to pursue a career in the automotive or collision repair field, and how he/she thinks they can positively impact their family and/or the community by pursuing a career in the Automotive or Collision Repair industry
- Proof that applicant is a high school senior, or has graduated high school
- Letter of recommendation from an educator, coach, employer or religious leader
- Complete an interview with a member of #1 Cochran's team

BRIDGING THE GAP SCHOLARSHIP

Ten (10) scholarships will be awarded annually worth up to \$5,000, based on financial need, to applicants pursuing a career in the Automotive or Collision Repair industry.

Criteria:

- A completed application to Rosedale Technical College with a minimum of conditional acceptance to the school
- Student must have an unmet financial need to begin school after completion of the financial aid plan
- Completed scholarship application
- Essay or video explaining why applicant wants to pursue a career in the automotive or collision repair field, and how he/she thinks they can positively impact their family and/or the community by pursuing a career in the Automotive or Collision Repair industry
- Possess a High School diploma or GED and possess a valid driver's license

Award recipients would be chosen by Rosedale Technical College and approved by the #1 Cochran team.
