HISTORY: The origin of the Ambridge High School 1950's Alumni Scholarship dates back to 1992. A combined reunion of all the 1950's AHS classes was held to fulfill a three-fold purpose: to bring together relatives and friends from different classes to share the commonality of being graduates of Ambridge High School; to bring about a renewed appreciation of our small-town heritage; and to raise funds for scholarships as a way of giving gifts to the community. Through the belief and dedication of the twenty-two original committee members, since 1992 we have awarded 474 scholarships totaling \$581,200. Our funds are invested in the Beaver County Foundation to ensure that our mission of providing scholarships to worthy Ambridge High School graduates will continue.
