

AMBRIDGE SCHOOL DISTRICT FOOD SERVICE STUDENT SCHOLARSHIP

Each year, the Ambridge Area School District Food Service Department offers a scholarship to a graduating senior, who is furthering his/her education in the field of “Special Education”. The Alyssa McKee Memorial Scholarship is a \$500.00 scholarship in memory of a 2012 graduate who was majoring in Special Education.

This scholarship will be provided through the Ambridge Area Food Service Department. Alyssa’s grandmother, Mrs. Sharon McKee, is a retired head cook of both the Ambridge Junior High and Senior High. She had served the district’s food service department and interacted with thousands of students serving nutritious meals with loving-kindness for over twenty years.

To qualify, an applicant must:

1. Be a graduating senior, entering an institution of higher education, majoring in an education-related field.

3. Submit an official transcript of high school grades.
4. Submit a typed essay, 650 words or less, in a paragraph form explaining your interest in the Education field, and your primary educational and lifetime goals.
