

Introducing Our 7th Grade Committee of Bridge Builders

Our Committee of Bridge Builders is dedicated to fostering a stronger connection between students and faculty. By serving as a collaborative link, we aim to better understand and address the needs, wants, and aspirations of our student community. Through open dialogue and partnership, we strive to create an inclusive environment where every voice is heard and valued, ultimately enhancing the educational experience for all. We are pleased to announce our 7th grade committee members.
